

Do you care?

About the standing, prestige and dignity of Americans of Hellenic origin? Are you interested in their social, economic, civic, political and cultural standing in their respective communities?

Did you know?

That AHEPA ranks No.1 in prestige and standing with the United States Government? That numerous U.S. Senators, members of Congress, Governors, Mayors, Judges and even Presidents of the United States have joined the AHEPA as dues – paying members? That they are the guests of AHEPA at the national biennial banquet in Washington and at local functions throughout the year? That AHEPA was an official issuing agent of the U.S. Treasury Department during World War II? That today, AHEPA is an accredited voluntary agency of our State Department under the Refugee and Relief Act?

Want to build a better America?

Through positive Americanism programs such as promoting and encouraging loyalty to the United States of America? Instructing by precepts and examples the tenets and fundamental principles of government? Instilling a due appreciation of the privileges and corresponding obligations of citizenship?

Are you alert?

To the realization that tyranny is a menace to life, property, prosperity, honor and the integrity of every nation? To the dangers of discrimination, subversion and un-American activities?

Would you help a child?

An orphan of Hellenic origin, to stay within the environment of his Hellenic background and religion? Do you believe in a square deal for every child? The kind of a deal you'd like your child to
