ORDER OF AHEPA
SUPREME LODGE HEADQUARTERS
AMERICAN HELLENIC EDUCATIONAL PROGRESSIVE ASSOCIATION

The Order of AHEPA is starting an exciting new project! We need you to do a couple of quick things to make it a success:

- 1. Complete and return the enclosed questionnaire form.**
A special envelope is provided - please return within 14 days.
- 2. Send us a photo or two for the all-new photo feature.**
You may mail these with your questionnaire response or take the next several weeks to select your photos; a second envelope is provided to return your photos within one month.
(Be sure to include the photo release form.)

I am pleased to announce that work has begun on The Order of AHEPA 2008 Membership Directory to give you a complete and up-to-date reference of all The Order of AHEPA members. To make this directory even more successful than our 2004 edition, I need your input.

Please take just a few minutes to complete the enclosed Membership Directory Questionnaire to verify or change your profile. Your complete listing in the Biographical Section will include home address, names of spouse and children (if applicable) and professional information. Preferred e-mail address will also be included. Other sections in which your name will appear are: Geographical and Most Recent Profession. My goal is to make this membership publication the most comprehensive reference available. As a result, biographical information will be included for all members.

Once again we have chosen Harris Connect, Inc. to produce our membership directory. This company's years of experience ensure a quality publication that we feel will become an invaluable reference for you.

Please return the enclosed Membership Directory Questionnaire as soon as possible, even if the pre-printed information is correct, to let us know if we have accurate data about you.

Thank you for your cooperation.

Best wishes,

Ike Gulas
Supreme President

P.S. Please respond today!

This important directory will contain complete listings of all members from The Order of AHEPA, including e-mail addresses, professional and personal information, to help meet your networking needs. My goal is to make this membership publication the most comprehensive membership reference available. As a result, biographical information will be included for all members.

Thank you for taking this moment to ensure that we have your most current information. By taking this opportunity to confirm the accuracy of the information for this directory, you will be able to stay close to members who continue to make a difference in your life.
