## AHEPA Educational Foundation Announces Constantine and Patricia Mavroyannis Scholarship 2020-2021

July, 2020

AHEPA Educational Foundation Chairman George Vorkas, on behalf of Supreme President Horiates, is pleased to announce a new partnership with the Mavroyannis Family to offer the **Constantine and Patricia Mavroyannis Scholarship**.

The **Constantine and Patricia Mavroyannis Scholarship** is open to graduate students who are either Greek or of Greek heritage and are enrolled in a PhD program in either theoretical physics or physical chemistry in the Faculty of Science at a North American university. The scholarship is in the amount of \$5,000 and will be awarded in the fall semester.

Thanks to the generosity of Dr. Constantine and Mrs. Patricia Mavroyannis, this scholarship recognizes scholastic achievement and an interest and commitment to studying theoretical physics or physical chemistry by providing financial assistance to Hellenic graduate students to pursue their studies in these fields.

The purpose of the **Constantine and Patricia Mavroyannis Scholarship** is to recognize the importance of education – specifically, to reward and encourage educational achievement by Hellenes in the fields of physics and chemistry and thereby support Hellenic contribution to the global scientific community. The scholarship honors the life and accomplishments of Dr. Constantine Mavroyannis, an internationally renowned career theoretical physicist with the National Research Council of Canada, and his wife Patricia.

Supreme President George G. Horiates stated “We are proud to be able to partner with the Mavroyannis Family and assist in providing this wonderful gift to students who qualify. For nearly 100 years the AHEPA has advocated for educational advancement by providing over \$1Million annually in scholarships. We thank all of our members for their staunch support of education”.

Since its inception the scholarship has been awarded to eighteen recipients. Application requirements and coversheet are attached below.

## AMERICAN HELLENIC EDUCATIONAL PROGRESSIVE ASSOCIATION

### Requirements for the AHEPA Educational Foundation Constantine and Patricia Mavroyannis Scholarship

- Student must be currently enrolled in a PhD program in either theoretical physics or physical chemistry in the Faculty of Science at a U.S. or Canadian university
- Student must be either of Greek descent or a citizen of Greece
- Completed application (see attached)
- Additional materials that must accompany application include (a) current transcript, (b) resumé, (c) a 250 word statement that details a current research project, (d) a 250 word statement about what your Greek heritage means to you, and (e) two letters of recommendation from Professors in the Faculty of Science of the university in which the student is enrolled.
- Letters and applications should be emailed to Dr. Jenny Kellogg at [jkellogg@ahempa.org](mailto:jkellogg@ahempa.org). Materials may come separately but must bear the complete name of the applicant.
- Applicants may also be asked to participate in a Skype interview with the selection committee.

Deadline for scholarship applications and all application materials is August 31, 2020. Students will be notified by September 30, 2020. *For more information, or to apply, contact Jenny Kellogg at [jkellogg@ahempa.org](mailto:jkellogg@ahempa.org)*

- Scholarship winners **will be required** to submit an up to 250-word status update on their educational progress within 30 days of the end of the scholastic year in which they receive the award. This update should be emailed to Jenny Kellogg at [jkellogg@ahempa.org](mailto:jkellogg@ahempa.org)
- Applicants from prior years may reapply.
