AHEPA founded in 1922, serving Hellenism across the globe for 97 years, promoting Education, Philanthropy, Civic Responsibility and Family Excellence.

OFTEN IMITATED, NEVER DUPLICATED!
July 2023

To the Delegates & Alternates of the 101st Supreme Convention:

Brothers, it has been my esteemed pleasure to serve as your Supreme President this year. Having served two terms, I am happy to say, I will cherish the memory of service to the greatest Hellenic organization, AHEPA!

With your assistance and unwavering support, we continued to meet our mission, address challenges affecting the American Hellenic community, and rise to new heights. In doing so, we never lost focus and we remained committed to a level of excellence in community service and volunteerism that is unparalleled. It is a wonderful and exciting time to be a member of AHEPA. We should all take stock in knowing that the AHEPA is alive and well in this country and in countries abroad.

I am in awe of the tremendous man power which is exerted by our chapters all across the United States and to all of our chapters in Canada, Europe and around the world! We are part of a growing organization, and I was proud to be able to serve. I take great pride in seeing the work our grass roots do for their communities.

During the explanation of how the AHEPA works when we initiate new members, we are taught that we are part of an unbroken chain of members, chapters, districts and then our national, this is the most relevant of lessons, we are part of a much larger whole.

There are many people and chapters which need to be recognized for their support and promotion of our programs. I cannot list them all here as it would take pages of acknowledgments, but I must thank my Supreme Lodges and also brothers Nick Karacostas, George Horiates and all of the members in service of our order for their support. Thank you for affording me the opportunity to lead our great Order. I could have never have dreamed this opportunity would become reality.

Fraternally,

Jimmy Kokotas
Supreme President

To the AHEPA Delegates and Alternates of the 101st Annual Supreme Convention,

On behalf of the International Sisterhood of the Daughters of Penelope, I bring you greetings and well wishes. I would like to take this opportunity to thank you for all of the courtesies extended to me and the Daughters of Penelope Sisterhood. This past year has been a memorable journey and an experience that will always remain in my heart.

The Daughters of Penelope wish you all the best as you meet here in Las Vegas. When you reflect on your accomplishments and deliberate for the future of your Brotherhood. I am confident that your goals and plans will not only elevate the Order of AHEPA but will continue to shine graciously on the entire AHEPA Family.

Wishing you a successful Convention week and productive deliberations.

I remain,
Respectfully yours in Theta Pi,

Georgette Boulegeris
Grand President
Daughters of Penelope
Dear AHEPA Family,

Welcome to the 101st AHEPA Supreme Convention! Brothers and Sisters, it has been an absolute honor to serve as the Supreme President of the Sons of Pericles for the past year. I am beyond thrilled to be in Las Vegas to celebrate another year of successes and lessons with each and every single one of you.

Traditionally, "What happens in Vegas...stays in Vegas"; however, I am sure we will make memories to last multiple lifetimes, just as we have done for the past year. Speaking of that, there are plenty of memories to reminisce on from the previous year, but my personal favorites include: The Sons of Pericles hosting our first international event in Toronto, ON, to start the year with a bang. We followed up on previous successes with our second "Greeks in Miami" weekend alongside the Maids of Athena, and we saw a gradual increase in membership from previous years as many new and familiar faces joined and returned to the Order in spectacular fashion.

Internally, my Supreme Lodge worked diligently on improving our Order from the bottom-up: reconnecting with our members on a local level and quenching our organization's thirst for growth and betterment. While this convention marks the end of my tenure as President and capstones my five-year career on the Sons Supreme Lodge, I look forward to watching the systems and plans put into action by my Supreme Lodge this year prosper in the many years to come. By the end of the year, the Sons of Pericles Supreme Lodge will launch our effort to bring the AHEPA Family, and our supporting communities, closer together. The Sons of Pericles have developed a professional network database to make it easier for everyone to connect with each other and see the potential of our youth properly supported. I invite each and every one of you to reach out to any member of the Sons of Pericles Supreme Lodge to ask about our latest endeavor, which I have endearingly referred to as "The Greek Phonebook." The Sons of Pericles are the future, and we are also the present. I have done my best to instill a sense of passion, truth, and respect in every Son I have come in contact with this year, starting with my Supreme Lodge. I truly believe the best is yet to come.

I have referred to my speech at installations at Walt Disney World many times, so I will sum it up one last time: Reach out to the Sons of Pericles. We are stronger together. We want to work with you, we want to help you. We can do anything when we work in harmony together. Let's succeed together!

This may mark the end of my term, but it does not mark the end of my time as a Son. I will always be a Son. I am a son by birth, but I am a Son of Pericles by the grace of God.

Damn proud to be a Son!

Ryan Marinos
Supreme President
Order of the Sons of Pericles
Dear AHEPA Family,

Brothers, and Sisters, welcome to the 101st Annual AHEPA Family Convention in Las Vegas, Nevada! The week ahead promises to be filled with spectacular celebrations of the past year's accomplishments, as well as exciting deliberations regarding the future of our Orders. To this year’s leaders, I commend you all for your outstanding devotion to your respective Order and congratulate you on your numerous achievements.

The accomplishments of the Maids of Athena have been quite impressive this year. Through the promotion of our projects and programs we have been able to inspire our members, empower our youth and be PRESENT in our local communities with various philanthropic efforts. Alongside the Sons of Pericles, we have made our national project The Children’s Miracle Network. Our other two projects this year include the Loukoumi Foundation and AHEPA Service Dogs for Warriors. In addition to fundraising, our membership is focusing on expanding our existing chapters and increasing our overall membership through the reactivation and initiation of new members – truly exemplifying the goals and ideals of our Sisterhood.

As my term as Grand President comes to an end, I have truly been honored to serve on the Maids of Athena Grand Lodge for the past five years. The experiences throughout this journey were incredibly rewarding and fulfilling. I have acted like a Hellenic Youth Ambassador whenever I represent the Maids of Athena at a national capacity. My favorite experiences were joining the AHEPA Family Excursion in Constantinople and meeting His All Holiness Ecumenical Patriarch Bartholomew, representing the Order at Greek Independence Day at the White House, AHEPA Family Capitol Hill Day, and countless events with both US and Hellenic Ambassadors. I thank the many chapters and members I have had the privilege of working with and visiting throughout these years. The hospitality extended to me by many on various visitations, and the support I’ve received from our chapters and AHEPA Family members during my tenure, has truly made this one of the greatest experiences of my life, and it is those bonds that keep this organization strong.

On behalf of the Grand Lodge, thank you all for your support and commitment to the Maids of Athena. Without you we would not have had the opportunities to grow into the organization we have become today. Please continue to teach our youth the importance of the AHEPA Family and the legacies that our Brothers and Sisters have left behind.

I wish all our four Orders continued passion, commitment, and love for the AHEPA Family.

In Pi Alpha,
Maria Ana Pantelous
Maids of Athena Grand President

Greetings Brother Ahepans;

On behalf of the Canadian Order of AHEPA (COA), I would like to welcome everyone to the 101st Annual AHEPA Family Supreme Convention in Las Vegas, Nevada.

It has been an honor to serve as President of the Canadian Order of AHEPA (COA) this past year and represent my Canadian Brothers throughout my travels. COVID has made it difficult to do as much travel as I would have liked. Visiting with members at the chapter level and attending their events together with participating in District Conventions are the best part of my duties as President. It seems the pandemic is behind us; I look forward to visiting with you once again.

For over 100 years, AHEPANS across the United States, Canada and the rest of the world have contributed their time and resources and given back to their communities thereby ensuring that the ideals of Hellenism ring just as true today as they did when they were brought forth by our ancestors thousands of years ago.

I would like to take this opportunity to thank Our Supreme President Brother Jimmy Kokotas for his leadership and support throughout the year. It was a pleasure to accompany him and the other members of the Supreme Lodge on the excursion to Greece, Cyprus, Turkey and Israel. I was reminded how influential and respected AHEPA is around the world.

In closing, I would like to wish all my brothers and sisters respectful, productive and inspiring deliberations. Let us keep in mind that there is no obstacle we can’t overcome when we work together for our beloved AHEPA.

With fraternal regards,

Emmanuel Constas
President
Canadian Order of AHEPA (COA)
To the AHEPA family
with paternal love in Christ
and prayerful wishes.

† Κυρίας αιώνων σάρκας.
Greetings from the motherland! It is my distinct honor to send you my regards and to wish you every continued success as you celebrate AHEPA’s century long history and achievements.

In meeting AHEPA’s current leadership, I was impressed by their determination to continue the work of that small group of brave visionaries who, over a century ago, recognized injustice and countered prejudice and discrimination. AHEPA and its members have always taken pride in their history, culture, and traditions, working hard to preserve them for future generations.

An umbrella organization, AHEPA has also provided a home, a place of belonging, to all members of the Greek American community, regardless of regional origin, economic status, educational or social standing, especially at a time when broader society did not necessarily embrace them.

Their hard work led to the establishment of a large and influential grassroots organization, which helped the community overcome hardship and inspired other Greek American organizations. Thanks to their vision and foresight, these early Greek immigrants became exemplary Americans, while also defending their right to be themselves, to preserve their heritage, their cultural identity, and their close connection with their homeland.

They achieved this by being the best they could be; dedicating their minds and bodies to the work at hand; hard work in mills, mines, railroads, and kitchens, enduring the dangerous drudgery of industrial life in order to get onto the path of success. They thrust themselves fully into daily American life and the pursuit of the American dream from the moment they stepped on American soil, and while they worked to achieve a better life for themselves, their families, and their immediate communities, there were also instrumental in bettering America itself.

It is a known fact that the Diaspora has played a definitive role throughout the history of Hellenism. AHEPA is part of that long and venerable tradition, all the while, standing by Greece during its difficult times, promoting its national causes, and rejoicing with its successes. The Greek-American community is the “unshakable bond” between our two nations, in a relationship that greatly values the human factor and what this entails in view of our shared principles, values and ideals.

Greece greatly values its friendship not only with the American state, but also with the American people, and AHEPA and the wider Greek American community have been instrumental in building and enhancing that friendship.
Dear Members and Friends of AHEPA,

I greet all of you with the eager expectation of joining you for the Annual Supreme Convention in Las Vegas, Nevada, later this month. AHEPA is a marvelous mirror organization to the Greek Orthodox Archdiocese of America, with tens of thousands of energized and enthusiastic members across the United States and throughout the Diaspora.

AHEPA is our dynamic and vital partner in the shared mission of religious freedom for the Mother Church of Constantinople and the strategic interests of Greece and Cyprus. Moreover, AHEPA works for the bonds of our cultural fellowship, language preservation and the traditional affinities that we know with the inimitable Greek word, Γένος.

I am honored to be invited to address the Grand Banquet and Ball, which comprises the pleroma of the AHEPA Family, and I very much look forward to joining you at the end of July. AHEPA is truly the Church’s other hand of helpfulness, of action and of solidarity for the Greek Orthodox Communities of America and the Diaspora.

I pray for the success of this 101st Annual International Supreme Convention, and that our Good and Gracious Lord will bless all of the AHEPA Members and their families with spiritual and physical health, prosperity, and every good and perfect gift, which issues forth from the Father of Lights, Who is in Heaven.

To the Delegates of the 101st Annual AHEPA Supreme Convention,

“What you leave behind is not what is engraved in stone monuments, but what is woven into the lives of others.”

*Pericles*

I greet you with joy as you gather for the 101st AHEPA Supreme Convention. I pray that your time together in the Greek Orthodox Metropolis of San Francisco will be productive and filled with fellowship as you gather as Orthodox Christians and as proud Hellenes.

Under the national leadership of AHEPA Supreme President Jimmy Kokotas, the good works of the AHEPA family personify your ongoing devotion to preserving our Hellenic heritage through philanthropy, education and civic responsibility. I commend you for all that has been accomplished at the national, district, and chapter levels which has kept the spirit of AHEPA alive and thriving for over 100 years. Your efforts to preserve and promote our Hellenic heritage are of crucial importance, especially the imparting our rich cultural history and pride to future generations, and to the community at large. AHEPA has long been a partner in many important projects in your long and distinguished history, and I am certain that your good works will continue for years to come.

You have remained strong in your bonds of brotherhood and sisterhood for the past 101 years, and you have promoted important causes for the people of Greece and for Greek-Americans. The vision and foresight of your educational scholarship program has provided well-deserved encouragement to our youth and is creating a connection to their ancestral roots that will last throughout their lives.

Praying that the Lord may richly bless your gathering with His love, and that His mighty hand may always guide your works to bring Glory and Honor to His Holy Name, I remain,

With Love in Christ,

MESSAGE BY THE AMBASSADOR OF GREECE TO THE UNITED STATES
MS. ALEXANDRA PAPADOPOULOU
ON THE OCCASION OF AHEPA'S 101ST ANNUAL SUPREME CONVENTION

Dear friends and members of AHEPA,

Please accept my warm regards and best wishes for great success on your 101st Annual Supreme Convention, one of the largest gatherings of Greeks across the world.

I congratulate all of you for the work of AHEPA, which promotes our shared heritage and culture and is a reference point for so many of Greek heritage.

For more than a century, AHEPA has been an integral part of Greek American life, continuing to provide a place of belonging indiscriminately to Hellenes across the globe from all walks of life.

AHEPA ably represents the Greek American community, which constitutes a vital bridge between Greece and the U.S. As the community's collective voice, AHEPA has been instrumental in strengthening people-to-people ties, which lie at the foundation of the unwavering friendship between the two countries since Greece's establishment as a free and sovereign state in the early 1800s.

AHEPA also espouses the common values and principles that Greek and American people share. Democracy, the rule of law, respect for human rights, and a true appreciation for education and achievement, coupled with commitment to public service and philanthropy, values that only serve to strengthen the bond between the two countries.

The members of AHEPA deserve our warmest congratulations and deepest appreciation for their commitment to these principles and values and for their love and support of the homeland.

Finally, and judging by its past history of evolution and the loyalty and commitment of its members, I am confident that AHEPA has a long and bright future.

I wish you the best for the continuance of your important mission and work and every success in this year's convention.

Sincerely,

Message of the President of the Republic of Cyprus, Mr. Nikos Christodoulides for AHEPA's 101st Annual International Supreme Convention

It is with great pleasure that I extend my warmest and heartfelt greetings to the delegates and guests attending the 101st AHEPA Annual International Supreme Convention, this year taking place in Las Vegas.

AHEPA, as the largest and oldest homogeneous Greek organization, has always stood by our side, as a great advocate of the rights of Cypriot Hellenism, to the United States of America and beyond. Cyprus highly appreciates your long-standing support to our efforts to reach a just and viable comprehensive settlement of the Cyprus Problem, based on the agreed framework of a bi-zonal, bi-communal federation with political equality as defined in the relevant UN Security Council resolutions, in compliance with international law and the EU acquis.

Concurrently, the Republic of Cyprus highly values AHEPA's prominent role in enhancing the Cyprus-US relations to the level of strategic partnership. A development that is reflected by the enhanced bilateral cooperation, with tangible deliverables, in an array of fields such as security and defense, energy, trade and investments, tourism.

On behalf of the Government, but also the people of Cyprus, I would like to convey our sincere gratitude for your tireless efforts throughout the years, in promoting the national interests of Cyprus and Hellenism as a whole. I would like to assure you that the Republic of Cyprus will continue to support you in all possible ways, so that you can further promote our common goals.

I recently had the pleasure to welcome a distinguished AHEPA delegation, led by the Supreme President Jimmy Kokotas, in Cyprus where I had the opportunity to convey in person, my message of gratitude but also to congratulate AHEPA on the long-standing service to the interests of Cyprus and Hellenism more broadly.

While wishing you every success in the deliberations of this Convention, I would like to extend my invitation to the whole AHEPA family to attend the upcoming 102nd AHEPA Annual International Supreme Convention which will be hosted next year in Cyprus. It will be a great opportunity to exchange views on further strengthening our cooperation thus reinforcing the link between the diaspora and the homeland.
Dear Mr. Kokotas,

On the occasion of the 101st annual convention, we wish to extend warm congratulations and grateful appreciation to you, Chairman Nick Karacostas, the Board and all members of the AHEPA family.

As we commemorate the dark 49th anniversary of the illegal invasion and continued occupation of the Republic of Cyprus, we salute the steadfast support of AHEPA to the struggle of the Cypriot people for Freedom and Justice.

We also wish to congratulate the election of Savas Tsivicos, a favorite son of Cyprus to the position of Supreme President. We have no doubt that Savas will not only continue the AHEPA tradition of support, but also bring personal passion to our cause. Savas has been very instrumental in mobilizing collective action on behalf of Cyprus, Greece and the Patriarchate.

We look forward to continued leadership and support from all AHEPA chapters. I’m proud to be a member of AHEPA, the largest and most successful Greek American organization.

Congratulations!

AHEPA 101st Supreme Convention  
Las Vegas, NV  

Dear Brothers of the AHEPA and members of the AHEPA Family:  

I'm proud to call myself an AHEPAN, a devoted member of the Tarpon Springs, Epiphany City Chapter #16. As the longest-standing Hellenic-American organization, I congratulate AHEPA on the occasion of their 101st Supreme Convention. Additionally, I am very pleased that AHEPA purchased Chapter #16 AHEPA house on Tarpon Ave last year. What a wonderful investment and a proper place for the AHEPA’s “Epicenter of the South”.  

It has been AHEPA’ mission over the past 101 years to assist in so many ways. AHEPA helped assimilate and educate Greek immigrants, like my grandparents, as they arrived to America. I wish AHEPA Supreme President Jimmy Kokotas and the entire organization continued success many more years of fruitful educational, philanthropic, and civic endeavors.  

I would like to thank all of my AHEPA brothers for their support over the years and I want to say thank you to all my friends at AHEPA.  

Thank you,

AHEPA's 101st Annual Supreme Convention

Dear Friends:

I am pleased to extend warm greetings to all those gathered in celebration of the American Hellenic Educational Progressive Association's (AHEPA) 101st Annual Supreme Convention. It is an honor to recognize the distinguished attendees of this year's convention.

Since 1922, AHEPA has played a critical role in amplifying the voice of the Hellenic community. The organization's more than 500 chartered chapters across the United States, Canada, Greece and Cyprus — along with their sister chapters in Australia and New Zealand help to facilitate the spread of Greek culture and ideas. I applaud AHEPA's core mission — to promote the ideals of Hellenism, philanthropy, education, civic responsibility, family and individual excellence — which unites the organization's members across the globe. I am pleased to join in recognition of AHEPA's unique accomplishments over the past century.

I would like to thank AHEPA's Supreme President, Jimmy Kokotas, as well as everyone else involved in organizing this convention. Please accept my best wishes for a truly memorable event and for continued success and progress in the years to come.

Sincerely,

John P. Sarbanes
Member of Congress
"Congratulations to AHEPA for 101 years of promoting ancient Hellenic ideals all across the globe. Your dedication to the advancement of Greek culture is integral to keeping our values alive today, and as a proud Greek American, I look forward to working with AHEPA in their efforts for years to come."
Since 1922, 70 men have had the honor privilege and title of Supreme President of the Order of AHEPA. The Supreme President of AHEPA devotes time and talent to promote the image and destiny of our great fraternity. These men have created and made a contribution to the Greek American community, and preserved the ancient principles so embedded in our organization.

The invention of the AHEPA has been in the forefront of Hellenes in America, and now our reach has become global. Chapters on 5 continents and having initiated over 1 million members since our founding in 1922. Our PAST SUPREME PRESIDENTS are the heroes of our Order! We salute our departed brothers, and we honor those still with us.

A retired member of the Military Carl R. Hollister (USA Retired) was a driving force in promoting many recognitions for our veterans. Under his tenure, Carl visited dozens of military burial sites and represented the AHEPA with honor and dignity. Carl hosted a spectacular event at the Ohio State House where 300 members of the AHEPA family were honored to have the Governor of the State attend and speak.

$2M was awarded collectively on a national level towards student scholarships. When Carl ended his term as Supreme President, he became President of AHEPA Housing.
George Loucas was the grandson of Past Supreme President George E. Loucas in 1959 of Weirton, OH. This was the first time a grandfather/Grandson ever held the office of Supreme President almost 60 years apart.

Supreme President Loucas (2018-19) focused on membership and our educational foundation. The AHEPA Journey to Greece sent over 18 young members to Greece for college Credit. During his tenure our Supreme President visited several regions and promoted “Oli Mazi”
Supreme President
George G. Horiates, Esq
2019-21

Hometown: Cherry Hill, NJ

Supreme President George G. Horiates was elected in Chicago, IL in July 2019. In March of 2020 the COVID Pandemic gripped the world and events, meetings, programs and almost everything in AHEPA came to a stop.

Supreme President Horiates quickly enabled the use of internet meetings, and managed to stave off a crippling effect of losing membership, actually producing a small increase. Unheard of in that time of pandemic.

Finances were good and donations and support of the AHEPA Cares initiative was in effect on a global basis donating hundreds of thousands of dollars to our first responders. Slogan: Defend Hellenism
AHEPA Awards History

AHEPA Socrates Award

AHEPA’s premier social event, the AHEPA National Banquet, was held for the first time on February 26, 1929 at the Willard Hotel in Washington, DC. In 1948, the name of the event was changed to the “AHEPA Congressional Banquet” and for the first time, a United States President, Harry Truman, attended. In 2000 AHEPA reverted to a more appropriate name of this coveted event, The AHEPA Biennial Banquet.

Since 1964, the AHEPA National Banquet has also featured presentations of the organization’s most coveted honor, the Socrates Award, which recognizes prominent men and women who have emulated ancient Hellenic ideals.

Henry R. Luce

The first recipient was Henry Luce, publisher of *Time* and *Life* magazines. He was cited for *Life* magazine’s 1963 series, “the Miracle of Greece.” Luce gave one of the most eloquent addresses ever delivered to an AHEPA Banquet.

“In the 20th century we have a little feeling of what it must have been like in the time of Pericles. The challenge is to create an American civilization based on the idea of Greece – the expansion of knowledge, music, culture, and universities. For 200 years, the American people have been faithful to one dominant purpose, namely to the establishment of a form of government. That purpose has now been fulfilled, and we are at present seized by a broader challenge, namely, the shaping of civilization. We will meet that challenge too. We will succeed in creating the first modern, technological, prosperous, humane and reverent civilization – 2500 years after Pericles’. Pursue excellence rather than mediocrity – that is what the Greek community is saying to us.”

President Lyndon B. Johnson

President Lyndon Johnson received the 1966 Socrates Award at the 17th National Banquet in honor of the 89th Congress. The award was accepted on behalf of President Johnson by Mike Manatos, Administrative Assistant to the President. In his message to the AHEPA dinner, President Johnson stated: “In honoring the 89th Congress, the members of the Order of AHEPA are extending well-deserved tribute. And as you acknowledge America’s debt of gratitude to her forward-looking legislators, I want to acknowledge my appreciation for your alert and responsible membership. The laws of any progressive government must be formed and directed to improve the life and objectives of all of its citizens. They must be designed to assure equal opportunity for personal achievement – and they must stimulate the development of each man’s talents to their fullest capacities.”
Ancient Greece recognized these foremost principles of a democratic society, and Americans in 1966 sustain the legacy of your forefathers. As an American society dedicated to these principles, the Order of AHEPA has adhered to the highest tradition of democratic citizenship.”

**Senator Everett Dirksen (R-IL)**

Senator Dirksen, the United States Senate Minority Leader, received the 1968 Socrates Award at the 18th National Banquet. In presenting the Socrates Award to Senator Dirksen, Supreme President Andrew Fasseas said, “Senator Dirksen, an active member of AHEPA for thirty years, symbolizes what Socrates stood for. When one gives of oneself, one truly gives. He has dedicated his life not only to the people of Illinois, but the people of the world. He is our second Lincoln.”

Senator Dirksen said as he accepted the award that Socrates was “one of the greatest minds that ever lived in the history of mankind.” He also said that Socrates “embodied the very best in the Greek mind. First its clarity that somehow made manifest to his pupils the principles by which they had to live; and then his moral concern for his own society in his day and time. He always went about saying, ‘Know thyself,’ because that’s where wisdom begins. When people know themselves, everything will be added unto it. And that was the greatness of it. But, you see, he was brilliant in life and perhaps even more brilliant and greater in death.

Senator Dirksen, in conclusion said he was honored and deeply grateful to receive the Socrates Award, which he said, “shall have a place of honor, and whenever I look at it, always and always it will be a reminder of those amazing truths that must be discovered and rediscovered in the interest of a free society and a stable civilization.”

**Vice President Spiro T. Agnew**

The 1970 recipient of the AHEPA Socrates Award was Vice President Spiro T. Agnew, who received the honor at the 19th National Banquet of the Order of AHEPA.

In a message to the AHEPA, President Richard Nixon said, “Diversity has been one of America’s greatest strengths. The Order of AHEPA has enriched this diversity while contributing to our national unity through its many patriotic and public service programs. And I can think of no spokesman more representative of your important role in the American way of live than Vice President Agnew.”

Upon receiving the Socrates Award from Supreme President Louis Manesiotis, Vice President Agnew said, “Mister Supreme President, I am deeply honored to receive this year’s Socrates Award, as and Ahepan, as a Greek-American, and above all, as an admirer, a profound admirer, of the Age of Socrates, an age when the power of reasoning superseded the raw energy of protest and physical dissent.”

**President Richard M. Nixon**

Members of the Supreme Lodge presented the 1971 Socrates Award winner his award in the oval office; Supreme President Louis G. Manesiotis stated, “This award is emblematic of all the
principles every US President has shown in office, derived from the political philosophy and prowess of Socrates and the Socratic method”

**Holiness Athenagoras I Ecumenical Patriarch.**

This award in 1972 marked the first ever that a religious figure was honored by the AHEPA. It began a long tradition of honoring members of the clergy for their work, together with the AHEPA for the promotion of our Greek communities in the US and abroad.

**The U.S. Senate and U.S. House of Representatives**

To commemorate the Bicentennial anniversary of the founding of the United States, the Order of AHEPA presented the 1976 Socrates Award to all members of the U.S. Senate and the U.S. House of Representatives at the 22nd AHEPA National Banquet. The members of the Supreme and Grand Lodges of the AHEPA Family bestowed the honor on Congress en masse to express the gratitude of the Hellenic people for the great services rendered by all the legislators on Capitol Hill.

Although the AHEPA Established the Socrates Award to be awarded to a person deemed worthy, it was felt that on the 200th anniversary of the birth of the United States, it was only fitting that the U.S. Congress be honored for its support of Greece throughout her trials and tribulations.

**Vice President Hubert H. Humphrey**

The Socrates Award for 1978 was awarded posthumously to the late Vice President Hubert H. Humphrey at the 234th Biennial Banquet. The award was presented to Mrs. Muriel Humphrey. In her response, Mrs. Humphrey stated that it was a great honor for her to accept the award for her husband. She said she was so proud on October 4, 1948, when her husband joined the Minneapolis Chapter of AHEPA.

**Senator Claiborne Pell (D-CT)**

Sen. Claiborne Pell received the 1982 Socratic Award at the 15th Biennial Banquet. “I think it may be of some interest to you why an old New England Yankee became such a Phil Hellene,” Senator Pell told the gathering. “Well, I think there are several reasons – all rather emotional ones. I think Greece means different things to different people. It brings back memories of sailing in a kayak in the Aegean, being buffeted by the Meltemi, and seeing people on the Acropolis admiring the Parthenon.

“Now those of us who love Greece always have certain ambitions for it. We want to see a Greece that’s at peace and that’s prosperous, that doesn’t have to worry whether the troops are on the northern flank or on the eastern flank, but where peace remains. We want to see a Cyprus where Turkish soldiers are no more, particularly when we bear in mind that all the weapons, they carry are American weapons in defiance of American law, but with no punishment to the Turks for doing it, not even a tap on the wrist.”
Bob Hope

Entertainer Bob Hope was the 1984 recipient of the Socratic Award at the 16th Bicentennial Biennial Banquet. Hope told more than 1,800 guests that AHEPA should give the Socratic Award to President Reagan, “I think that’s appropriate, considering he knew Socrates personally.”

“I owe an awful lot to the Greeks,” he said. “If it weren’t for mythology, I’d never be able to fill out my tax return. I was just thinking during the dinner, Greece invented democracy, and America is what helped it grow.”

“What can I tell you?” Hope said. “You know, I appreciate this award, and I’m grateful just to be this year’s recipient of this coveted Socrates Award. Talk about Greeks bearing gifts! Coming from this organization, a group that has done so much for so many people, its significance is all the more meaningful and I’m deeply honored. It’s going to hold a very, very high spot in my trophy room and my heart. Thank you very much.”

President Ronald Reagan

The 1986 recipient of AHEPA’s highest award was President Ronald Reagan. President Reagan represented a time of nostalgia and remembrance for the AHEPA. The Order believed that the President espoused the best our country could do for the entire world. For this reason, AHEPA chose President Reagan.

Archbishop Iakovos

Primate of the Greek Orthodox Church of North and South America

Archbishop Iakovos was the 1988 recipient of the Socratic Award at the 28th Biennial National Banquet. In his acceptance speech, Archbishop Iakovos said, “in my wildest dreams I never thought that I would be receiving an award from the Order of AHEPA. First, because I am not a person that must anticipate awards. For a clergyman there is one reward: to respond to the dictates of his conscience, to follow steadfastly in the footsteps of the saints of the church, and, above all, his master’s.”

“The Socrates Award should be given to the founders, leaders and members of the AHEPA who have departed from this world because they were the ones who gave us the great blessing of Greekness, of identity, of Orthodoxy, and of integrity. The founders of the AHEPA are to be ever respected by all of us for they, ahead of their time, in 1922 found it possible to believe that the ideals of AHEPA could be perpetuated among the generations to come. He who writes the history of AHEPA must place the emphasis where it belongs – the Ahepans have been the inheritors of the great ancient Greek legacy and the ones who were able to instill and implant those values in the hearts of their children and grandchildren. I humbly accept this gracious award on behalf of all of you who have labored year after year so that the legacy of the ancient Greek spirit may be carried on courageously, committedly, lovingly, a dedicatedly.”
President George W. H. Bush

The AHEPA was extremely honored by President 1000 points of light speech where he mentioned the Order of AHEPA. In recognition for his extraordinary efforts in the Gulf War and for his steadfast support of what was right and just. President George Bush was awarded this honor in 1990.

Lt. General William “Gus” Pagonis

Awarded in 1992 at the AHEPA Congressional Banquet. His service and logistics during the Desert Storm assisted in securing a swift and decisive victory for the United States and their allies.

Mary Matthews

1992 philanthropist Mary Matthews was awarded the Socrates award. For her unselfish service to her community and support of institutes of higher learning, Dr. Matthews was singled out for her support of Greek American studies and her family’s staunch support of the United States. Dr. Matthews donated $25,000 to the AHEPA.

Senator Paul Sarbanes

In 1993 the AHEPA awarded Senator Paul Sarbanes of Maryland the Socrates award. For his devotion and support of the Greek American community.

President William “Bill” Clinton

1996 had the Socrates award back in the White House. After several years, the award was once again given to the highest elected official in the land.

Patriarch Bartholomew I

In 1997 the Socrates Award was given to the Ecumenical Patriarch. Awarded in the United Stated during his first official visit, the Patriarch was honored with a banquet in Washington, where 500 AHEPANs from across the country came to be with his Holiness. Supreme President Steve Manta was honored when he spoke about the importance of this function.

Alex G. Spanos

President George W. Bush
The President of the United States was once again the man in the spotlight in 2002. After the devastating events of 9/11 the country rallied behind the President and he represented all Americans in their greatest test of patriotism and need.

**President of Cyprus Tassos Papadopoulos** 2007

**Prime Minister Costas Karamanlis** 2007

**United States President, Barack Obama** 2013

**George A. Kalogridis**, 2014 President Walt Disney World Resort

**Joe Biden**, 2015 Vice-President of the United States of America

**John Boehner**, 2015 – Speaker of the House of Representatives

**Philip Christopher**, 2019 – President of the International Co-ordinating Committee "Justice for Cyprus" and American Businessman.

**Michael Psaros**, 2019 Co-founder and Managing Partner of KPS Capital Partners and avid supporter of the Greek Orthodox Church.

**Prime Minister Kyriakos Mitsotakis**, 2021. Prime Minister of Greece. Honored for his service to Greece and improving relations with the United States, during the 200th Anniversary of the Greek Independence celebrations and AHEPA’s 99th Annual Supreme Convention.

**President Nicos Anastasiades**, 2021 President of the Republic of Cyprus. For his service and ever-present work for the freedom of Cyprus from invading occupying forces from Turkey.
AHEPA Pericles Award

The Order of AHEPA developed the Pericles award on both the National and District level to honor those individuals in Government. Past National Recipients include, Senators Paul Tsongas, Paul Sarbanes, John Glen, Congressmen Mike Bilirakis, Gus Bilirakis, Gus Yatron, George Gekas and many more. Also, several United States Governors have been honored with this award as have many local government officials.

AHEPA Solon Award

This national award is given to a member of the bar for excellence in the field of law. This award has been given to many individuals in the field of law. Supreme Court Justice Rehnquist was the highest judge to ever receive this award. Members of AHEPA include Hon. John Manos, Esq, and Hon. Tsoukoulakos to name a few.

AHEPA Demosthenes Award

An award developed exclusively for those individuals who excel in the area of broadcasting or reporting the news, in any form. Television and or radio news personalities and other such journalists are eligible for this award.

AHEPA Public Service Award

An award developed for recognition of members both national and local for their devotion and hard work in the field of public service. This award was created to honor those individuals in the community which work hard to assist their citizens. Many US mayors and state representatives have received this award, as well as school teachers and Boy Scouts.

AHEPA Academy of Achievement Awards

These awards were funded by the Educational Foundation to honor individuals who excel in various areas of expertise. Awards can be given in the fields of business, journalism, the arts, science, and other liberal sciences. These awards can be given to businessmen, actors, scientists, teachers, and other professions.

AHEPA Archbishop Iakovos Humanitarian Award

This award was developed to honor the Archbishop of North and South America who was an active and vocal member of the AHEPA. Archbishop Iakovos helped define a generation of Orthodox faithful in the Americas. His vision and support of Human rights and compassion are a testament to his being a unique life force for all. This award is given to those individuals who surpass any standard of giving in support of Human rights and freedom.
AHEPA Medal of Freedom/Military Medal of Honor

Awarded to active and retired members of the military in honor of their service to their country. This award was developed to honor those individuals who sacrifice their lives or put their lives in harm’s way in executing their duty. After the tragic events of 9/11 this award was created and awarded to the brave first responders. Additionally, this award is also reserved for any individual who sacrifices his or her own safety for those of others. This honor was broken into 2 separate categories, one for the general population (civilians) one for members of the military either active or retired.

AHEPA CHOTAS Medal of Philanthropy

This award was created and names after the first president of the Order of AHEPA, Nichola Chotas. This award is bestowed on an individual which has proven to be a financial stalwart for the Order of AHEPA. These individuals give annually to programs which are announced by the Order of AHEPA, and they respond generously when asked for assistance. This award was created in 2017 and its first recipient was Peter Baltis from Albany, NY

AHEPA Lifetime Achievement Award

In 2003 The Order of AHEPA created the AHEPA Lifetime Achievement Award to be presented to a member or members who have exemplified the true nature of what being a member who donates his time, wisdom, efforts and energy to the Order of AHEPA. This award is different than the traditional “AHEPAN of the Year” award which highlights a member for the current year; this honors a lifetime of achievement. This award is bestowed exclusively by the Supreme President of the Order of AHEPA on a member of the Order for a lifetime of achievement in the Order of AHEPA

The AHEPA Lifetime Achievement Award winners are few but represent what is the best of our organization.

REPORT OF THE SUPREME PRESIDENT
Jimmy Kokotas

Dearest Brothers and Delegates,

This year has been historic in many ways as AHEPA closes out its first century of service and anxiously begins its second. We had a Centennial celebration at the Cathedral of Saint Sophia in Los Angeles honoring Lt. Governor Eleni Kounalakis and Fr. Backus Dean of the Cathedral who is retiring. We also celebrated with our Brothers in Greece with over 500 people in attendance in Athens as we honored Ambassador George Tsunis and Greece’s military branches. Our final 100 Year celebration took place in Alabama home of historic Birmingham Chapter #3. We also celebrated two great supporters of Hellenism and AHEPA Carolyn Maloney of NY and Mike Bilirakis of Florida, the two founding members of the Hellenic Caucus.

With Covid restrictions being lifted AHEPA has gotten back to regular business. We had our Governors Conference in Washington DC in September as we always have in the past. I'm happy to announce the AHEPA Programs that have helped so many through the years are now back. Our Chapters, Districts and National Educational Foundation have awarded approximately $2,200,000 in scholarships this year, the E in AHEPA is back and stronger than ever. We continue to promote both Hellenism and education to our youth through the Journey to Greece Program which is also back after a brief pause.

Athletic programs have been met with great enthusiasm as we come out of the pandemic and people are looking to get active again. Chris Atsaves our Supreme Athletic Director and his team have done a great job putting together and promoting events, Golf tournaments have been very well attended both nationally and locally. In November we held our first International AHEPA Golf Cup at the world-renowned Costa Navarino Resort. We had members from the US, Canada, Greece, Cyprus and Europe join us for some brotherly fun and friendly competition. It appears that the AHEPA Cup will make its way onto our permanent calendar as a biennial event. Basketball has also been welcomed with very good enthusiasm and our SOP are to be applauded for their work in hosting various tournaments.

The AHEPA Service Dogs For Warriors Program has surpassed $1,000,000 in fundraising, a tremendous milestone and great showing of their work. So many of our Great Men and Women have had their lives changed and a few probably saved because of this program. A new company has been brought in and the cost of training a dog has come down from $15,000 to $6,000, this should make sponsorship much easier for many individuals and chapters. I encourage everyone to please consider sponsoring a dog and helping one of our veterans.

AHEPA Housing, one of the crown jewels of the AHEPA family continues its great philanthropic work. Through senior housing and assisted living facilities all around the country comfort and peace of mind has been provided to our most vulnerable population. We are also pleased that AHEPA Housing will be joining us in Las Vegas for their National Elections and meetings. I’d like to personally thank PSP Ike Gulas, President of AHEPA Housing and the Board for all their great work and the impact they have had throughout the country.

Our Junior orders have performed well given the difficulties of the past few years, however we must help them do even better. Districts must help establish new SOP & MOA chapters and also invite members and potential new members to bring their children and grandchildren to recruiting and social events. The more fun and social events that can be hosted that include our youth the easier it will be to get them involved in our mission of service.

We are also in the process of starting a Mentoring Database for our youth, this database will be broken down by occupation, district, opportunity to mentor over the phone as well as opportunity for a brief on the job visit. I believe this initiative will provide a great service to our youth and junior orders as they try to navigate their
career path. Districts must also help arrange recruitment and social events for the SOP & MOA that stay on the calendar year after year to provide some stability as the junior lodges change.

We all know how important our advocacy is, especially on behalf of Greece, Cyprus, the Ecumenical Patriarchate and the 3+1. We haven’t missed a beat with our recruitment of members for the Hellenic Caucus and hosted our annual Capitol Hill Day in June. Our excursion this year was extremely important given the ongoing War in Ukraine. AHEPA must educate and advocate on the significant role Greece is playing in the War and how important Alexandroupoli is to the future of the EU as well as NATO. While in Cyprus we met with the new President Nikos Christodoulides and other Ministers and Government officials. The new Archbishop of Cyprus Georgios hosted us for lunch at his residence. Our trip to Greece was also very productive with Ambassador Tsunis hosting the AHEPA Family at the US Embassy and multiple meetings with high level Greek Government officials. We visited EU and NATO Headquarters in Brussels and met with Ambassadors and other members of the Diplomatic corps.

Membership is extremely important to our organization, keeping existing members and bringing in new ones is needed to maintain the health and strength of AHEPA. Our numbers were back up this year and I believe we have turned the corner with respect to Covid. I think over this next year or two we have a very good chance to bring the members we lost back in and gain many new ones as we move past the pandemic. Our Chapters and Districts must come up with new ideas to attract members while staying committed to service and volunteerism. Times have changed and we must adapt by making things social and fun for new members. People are looking for experiences and if we can provide those experiences through golf outings, cigar nights, family picnics and other interesting events we can bring them in and keep them. One of the new programs we’ve implemented this year in hopes of reviving membership is Giving The Gift of AHEPA. Chapters were asked to invest in themselves and give someone they believe would be a good potential member the gift of membership. If chapters choose wisely that new member will not only stay a member for many years to come but also bring in new members as well.

I’d like to thank everyone who has helped us in our work this year. Special thanks to our Executive Director who has pointed me in the right direction and been invaluable as a resource. Basil’s love for the organization combined with his knowledge and understanding of how it functions is irreplaceable. Special thanks also to Andrew for always making time for me as well as providing needed insight and guidance. I’ve bothered Stephanie, Rory, Rosalind and Sam plenty of times this year and appreciate all they do to support our members and organization. Special thanks to PSP and Chairman of the Board Brother Nick Karacostas for his continued guidance and advice. Thank you to all the Board for the work they’ve done keeping us in a good financial position through some difficult times. Thank you to all the PSP who I am proud to call Brothers and friends for all of their support and the work they continue to do for our AHEPA.

I cannot thank ALL of my Supreme Lodge enough for all they have done in this most different and difficult year, we succeed and fail as a team and it has been an honor to serve with all of you! I’d like to also thank Maria Ana and Ryan for the work they’ve done with the SOP & MOA this year, they’ve led their organizations with great enthusiasm and work ethic and should be commended. Thanks to the DOP Grand Lodge for the great friendship we've shared this year, it has contributed greatly to our success as a family. Thank you to Elena for always being there to answer my DOP questions and (usually) keeping me out of trouble. I’d like to thank my travel partner and sister Georgette Boulegeris. It has been a wonderful year for our respective organizations and I’d like to think we’ve both contributed to each other's success. We both approached our work with a team and family concept which set the tone of strength in unity. Georgette’s relentless work ethic combined with her passion and purpose have led the DOP to new and great heights this year, it has been an honor to serve with her. I’d like to thank all our Chapters and Brothers who have worked so hard through the years to keep AHEPA great, it is your dedication and efforts that make AHEPA special.
REPORT OF THE SUPREME PRESIDENT
Jimmy Kokotas

I’ve said it plenty of times through the years, AHEPA’s greatness is at the chapter level and all the work being done in the local communities. I’d like to thank my parents for instilling in me the values they have and for teaching me how to be selfless and to serve. I lost my dad last September and have tried my best to honor him through my work these last two years, however none of it would have been possible for me without the foundational love I was raised with. I thank all my brothers and sisters for their love and support during this most difficult time in my life. Lastly I’d like to thank my beautiful wife Kelly and our little miracle Katerina, they have sacrificed so much for me to be President these past 2 years. I could not have done it without their love and support! I’ve tried to set a good example for Katerina to follow and I look forward to her growing up in the AHEPA Family!

Fraternally,
Jimmy

I have been honored to conclude my second term as your elected Supreme Vice-President of the Order of AHEPA. I thank all the Brothers of AHEPA who served as delegates to both Conventions, in Athens in July 2021 and Disney World Florida in July 2022 for electing me to serve you in such a capacity.

It is not an unimportant position in our organization. In the event of removal, resignation, absence, incapacitation, death or disqualification of the Supreme President, the Supreme Vice President shall assume the duties of the Supreme President.

The Supreme Vice-President has the duty to assist and cooperate with the Supreme President in the promotion of the Mission and Objectives of the Order. He is also assigned the responsibility to develop, maintain and promote a membership program.

It brings to mind a very brief conversation with U.S. President Joseph Biden during the Greek Independence Day celebration held at the White House in March, 2023. I took the opportunity to simply walk up to him, hold out my hand, and introduce myself as Vice-President of AHEPA. Mr. Biden laughed and responded that it was nice to see someone emulating himself during his 8 years of service as U.S. Vice-President. “No one introduced me, I always had to do it myself.”

These terms of office proved especially challenging concerning the issues of membership. In spite of multiple notices, regulations, By-Law changes, most of chronically late paying chapters remitting their dues and/or per capita fees in December have continued their practices. This year commencing November 15th through December 24th, I called 71 chapter officers. When we finished our discussions concerning timely payments, 38 of them kept their promise to me to call when the check was put in the mail. At the January 5th Supreme Lodge Meeting, I was able to report within 10 members what our true numbers were in the year 2022. We can do better.

The top excuses for late payments included (1) we always remit the amount due our Supreme Office the last week of December; (2) we used the money to fund the chapter; (3) we do not start collecting dues until after September when our members return from Greece and we see them in Church; (4) we didn’t know about the March 31st deadline; and (5) we send no delegates to District and Supreme Conventions; and the timely classic (6) we’ve always done it this way. We can do better.

Mind you, I have acted as a “collection agent” not only during two terms of Supreme Vice-President, but two terms (three years) as Supreme Counselor, two terms as Supreme Governor, and during five terms as Supreme Athletic Director. The majority I have spoken to over a span of a dozen years are basically the same Brothers. The problems predate my service to AHEPA on the Supreme Lodge. We can do better.

If we expect our Supreme Lodge members to become more productive, a change of attitude on this subject is long overdue. There are better ways.

In addition to the desperately needed change of attitude on this subject, comes a need to modernize collection and remittance of dues and per capita fees. I belong to several other organizations that allow for the payment of dues electronically, including usage of credit cards. Dues automatically payable in January are paid the first week in January, with receipts and thank you notes confirming same by e-mail. No chasing. No disconnected phone numbers. No listening to the dog ate my homework excuses. The only two groups that I belong to that insist on mailings, checks and year-long collections of dues seem to be The Greek Orthodox Church and The Order of AHEPA. We can do better.

I have urged chapters and districts the past two years to contact their banks and accept credit card payments of dues. To contact PayPal and similar companies. Some banks cannot accommodate their chapters, and some federal and state banking regulations make it more difficult for not-for-profit groups to accept payments in such a fashion,
while my for profit law office can more easily apply. That issue needs to be added to our future Capital Hill advocacy efforts. We can do better.

In the meantime, I have received reports from Chapters that are successful in collecting and remitting dues and per capita fees in a timely fashion. My favorite continues to be the Pasco Florida chapter system. Other chapters list who has paid in their e-mails. Some of the most successful chapters are using e-mails and electronic payments.

Most who have seen me on the circuit know I deliberately ask what the long term plans of Chapters and Districts are concerning the Good of the Order as we have now entered our second century of service. I also ask the same questions on the Supreme Lodge.

I have a few suggestions as we enter our second century of service:

(1) Return to protocols within our Order. During meetings and conversations, I hear speakers refer to guys, men, pals or buddies when we should refer to ourselves as “Brothers.” We can do better.

(2) The Supreme Vice-President is not the 5th wheel of the AHEPA vehicle. Too often I am told “you get two minutes to speak” when I am the highest ranking officer present. Rarely am I asked in such situations to be seated in a prominent position. So I deliberately sit in the back to avoid any drama. I am not the only Supreme Lodge Officer put in that position. Perhaps during future Governor conferences, our pamphlet on protocol can be taught. Or better yet, a copy of our pamphlet, which can still be purchased on-line, be sent to all Chapter Presidents and District Governors. We can do better.

(3) We need to continue to upgrade our website with an emphasis on it becoming more user friendly. I began distributing a sheet with instructions on where to find report forms, election result forms, registering for membership information by chapter and district officers, where to find updated constitutions and by-laws, including instruction books on how to conduct meetings and appropriate protocols. It took me quite some time to find such information. It is available. Let’s make it even more easier to find. We can do better.

(4) Improved communications between the Supreme Lodge membership. During the day of the White House visit, no one told the Supreme Vice-President that the Archbishop of The Greek Orthodox Church would be visiting AHEPA Headquarters. I showed up in jeans having ridden the subway from the Reagan International Airport and scrambled to change in a bathroom. Recently, an award to Congresswoman Malliotakis was given by AHEPA in Washington, DC. The Supreme Vice-President read about it for the first time in the AHEPA E-News. Those are but two examples. And it just doesn’t happen to the Supreme Vice-President. We can do better.

(5) I have fielded a number of complaints over Jewels of office. Few seem to be in the business of making them these days. The costs seem to have skyrocketed. A member of the United States Congress and Senate wears a simple pin on his or her label. In addition, new members aren’t all that excited about our quaint symbols as we are. We can do better.

(6) The Supreme Lodge on two separate meetings discussed launching a National Calendar that would appear on our website. One member of the Supreme Lodge offered to spearhead that effort. As far as I know, it remains a work in progress. A National Calendar listing hundreds of AHEPA events, locally, or internationally, would be the best public relations move we can make showing how active our Order is on a daily, monthly and annual basis. We can do better.

(7) AHEPA needs to hire a full time publicity and communications person. Right now press releases are few and far between, and often are limited to the activities and travels of the Supreme President. We need better and more user friendly upgrades to our website. We can do better.
Finally, we all need to remind ourselves of who we are, what we stand for, and what we do as an organization. AHEPA does have its critics. I am not a fan of getting into extended debates with those filled with hot air. I prefer action. But let’s take these words of our own AHEPA Constitution to heart and remind ourselves who we are:

“We American citizens of Hellenic descent and Philhellenes, desiring to form, institute and perpetuate a fraternal Order and promote its Mission, objectives and principles; to effect a perfect and harmonious understanding between ourselves and others; to inculcate loyalty and patriotism to and for the country in which we live; to stimulate the spirit of good and fraternal fellowship and co-operation and to aid in the solution of social and civic problems, do hereby establish and ordain this AHEPA Constitution. ”

And:

“The mission of the AHEPA Family is to promote Hellenism, Education, Philanthropy, Civic Responsibility, Family and Individual Excellence. ”

Hellenism includes principles that define our humanity, our freedom, our democracy. Education is the best campaign for our ideals of Hellenism, which includes the expansion of our thoughts and our minds. Philanthropy is the expansion of Hellenistic ideals for our love of people and allowing them to live their lives to their fullest, with examples through senior housing or the eradication of deadly diseases. Civic Responsibility is a principle of Hellenism to seek justice and fairness in all walks of life through our elected governments and our rules of law. And finally, the protection and nurturing of Family and Individual Excellence is a long-established principle of Hellenism.

To use an Athletic analogy, all of us need to keep our eye on that Hellenism ball. You will never catch it, kick it or hit it if you take your eye off of it.

I am a proud second generation American of Greek Descent. I remain a proud AHEPAN.

Always.

Respectfully submitted,

Louis G. Atsaves

Report of the President of the Canadian Order of AHEPA
Emmanuel Constas

Dear Brothers,

I would like to start off by welcoming everyone to sin city - Las Vegas, Nevada and congratulating and thanking our great order of AHEPA for serving so many local communities throughout the world for over 100 years. From raising over 1.5 Billion dollars over the last 100 years and donating to worthy charities to handing out over 2 million dollars in annual scholarships to advocating local and national elected officials on issues affecting Greece and Cyprus to offering the Journey to Greece program and so much more AHEPA has proven to be not only the largest Greek grass roots organization in the world but it is also the greatest. None of this would be possible if not for the efforts of the thousands of AHEPA Brothers who spend so much of their time, money and other resources and work hard every day to promote and defend the ancient ideals of Hellenism, philanthropy and community service.

Last summer, the AHEPA Supreme Convention was held in Orlando, Florida and it was a resounding success. All four Orders were well represented and the thousands that attended the convention enjoyed all the events that had been planned by our Executive Director Basil Mossaidis and his organizing committee. I would like to thank all my Canadian Brothers for travelling to Orlando to re elect me and my entire national executive and for being on hand for my installation. I will be forever grateful for your support in Orlando and throughout the year.

Once again our Executive along with our 3 District Governors, immediate Past Canadian President and our Son’s Advisor make up our Board of Directors.

President – Emmanuel Constas
Vice President – Anastasios Moussas - Toronto
Treasurer – Nick Pantieras - Ottawa
Secretary – George Albanis – Calgary
Governor District 23 – James Hutchison – Montreal
Governor District 24 – Spiro Bonis - Regina
Governor District 26 – George Vassilas – Vancouver
Advisors to the Son’s – Timothy Noitsis -Toronto
Immediate Past Canadian President – Christos Argiriou – Winnipeg

It has once again been an honor and a privilege serving AHEPA and my Canadian Brothers. This past year has been another very important one for AHEPA in Canada. I would like to thank my executive and the board of directors for their support and tireless efforts as we worked together to build the AHEPA brand in Canada and grow our membership. In terms of membership, I can report that our membership across Canada grew by 20%.

The largest membership growth across the entire AHEPA domain. This year we are committed to growing our membership even more. In order to do this we will continue to come together as a group, think outside the box and find even more constructive ways to increase our membership numbers across Canada. The growth of our membership is the responsibility of each and every
one of us. Let us embrace change and new ideas. Let us be optimistic and see the positive in change and new ideas. If we do that we will surely succeed. The following is a summary of my visitations and activities as President of the Canadian Order of AHEPA (COA):

- **July 2022**
  - Attended the Supreme Convention in Orlando, Florida
  - Hosted the 1st Annual Canadian Order of AHEPA meet and greet reception which was attended by members of all for four Orders
  - Re-elected President of the Canadian Order of AHEPA

- **August 2022**
  - Sponsored a hole at the AHEPA Montreal Annual Golf Tournament on behalf of the Canadian Order of AHEPA (COA)

- **September 2022**
  - Attended the District Governor’s Conference in Washington, DC
  - Sponsored the Greek International Film Festival tour of Canada on behalf of the Canadian Order of AHEPA
  - Sponsored a hole at the AHEPA Ottawa Annual Golf Tournament on behalf of the Canadian Order of AHEPA (COA)

- **October 2022**
  - Attended the D23 Mid-Year Conference in Bay Of Quinte, Ontario

- **November 2022**
  - Attended along with members of my national executive and other members of the AHEPA Supreme Lodge a dinner hosted by the United States Ambassador to Greece Mr. George Tsunis at his official residence in Athens, Greece.
  - Attended the 100th Anniversary Gala hosted by AHEPA Athens Region 10 in Athens Greece
  - Participated in the 1st Annual AHEPA President’s Cup in Costa Navarino, Greece
  - Visited along with members of my national executive the Canadian Embassy in Athens Greece and were honoured to have the opportunity to meet and have engaged discussions on issues that are common to both Greece and Canada with Ms. Anna-Karine Asselin the new Ambassador-designate of Canada to Greece and Counsellor Walter Bernyck
  - Together with Supreme Secretary Savas Tsivicos attended the final 100th Anniversary event of 2022, hosted by Chapter 3 in Birmingham, Alabama
  - Together with Supreme Secretary Savas Tsivicos and PSP and Chairman of AHEPA Senior Living Ike Gulas visited the AHEPA Chapter 3 senior living apartments.

I would like to take a moment to thank Brother Basil Mossaidis and all the Headquarters staff for their support throughout the year. I would also like to thank our Supreme President Jimmy Kokotas for his support and guidance over the past year. It was amazing to once again be able to work with such a talented group of Brothers and Sisters such as Supreme Vice President Brother Lou Atsaves, Supreme Treasurer Brother Chris Kaitson, Supreme Councillor Themis Frangos, Grand President Georgette Boulegeris, Chairman of the Board of Trustees Nick Karakosta, Daughters of Penelope Executive Director Eleni Saviolakis and then there is our Supreme Secretary Brother Savas Tsivikos…all I can say to Savas is “Τελικά οργανωθήκαμε”. As we all know, for over 100 years AHEPA has been the voice of Hellenes and Philhellenes around the world. I urge all of us to continue to go forward with passion and enthusiasm for AHEPA. Let’s build on the traditions and successes of our past. Let us go out and build bridges to other Greek organizations in our respective communities. Let us remind potential AHEPA members of the size and breadth of AHEPA and its great works. There is no other Greek organization that has contributed so much to so many Greeks the world over. Let us carry that torch high and relinquish it to no other.

Fraternally,
Emmanuel Constas President
Canadian Order of AHEPA (COA)
Brothers:

It has been a tremendous honor and privilege to serve as the Supreme Secretary of the AHEPA for two terms. I begin by thanking our Supreme President for his commitment to our Order and serving as our Supreme President over these past two years.

We have managed to sustain our membership, we have visited many chapters’, district conventions and special celebrations here in the United States, Canada and in Europe! I can safely state AHEPA is on the RISE!

We have been engaged in promoting education, philanthropy, civic responsibility and individual and family excellence! Most importantly though, we have let the fight in defending Hellenism and protecting our orthodox faith.

At time when Hellenism and Orthodoxy are being attacked on many different fronts AHEPA was on the forefront engaging our elected officials but also traveling to Greece, Cyprus and Israel holding crucial meetings at the highest-level fostering and strengthening the relations between the three countries at a very critical time considering the security threats in Eastern Mediterranean and the consequences of the Russian invasion of Ukraine.

As we look back, we must feel very proud of our accomplishments but we must not rest on our laurels. There is plenty to be done and plenty challenges lay ahead.

We have a great responsibility to those who came before us but also to the future generations to reinforce the foundations that this organization sat on for the last 100 years! It is our duty to make sure that our legacy and accomplishments are celebrated! We have inherited a great organization and our obligation is to make sure we rise to the occasion and make sure that this organization remains the beacon of Hellenism and orthodoxy and a precious jewel in this great country and around the world!

Safeguarding the future of this great organization and setting the foundations for our second century of service remains a paramount task but United we can accomplish extraordinary things! It has been a privilege to serve as your supreme secretary!

Brothers, Let’s renew our oath and redouble our efforts to make sure AHEPA remains the premier organization in the USA and around the world!

Fraternally,

Savas Tsivicos
Dear Brothers,

Welcome to Las Vegas. I looking forward to productive meeting, and hopefully a little success in the casino!

Thank you for allowing me to again serve on the Supreme Lodge of the Order of AHEPA as your Supreme Treasurer. I look forward to continuing to serve Ahepa for many years to come.

This has been a very progressive year. The biggest change was moving to an online bill review, approval and payment system. Since the beginning of this year, we have been able to review supporting documents and approve all expenditures on line. No more overnight mailing of checks back and forth each week. This change is a cost savings and more efficient; it eliminates paper retention by preserving records on-line.

As Supreme Treasurer I visited the World Headquarters at least quarterly to consult with the Executive Director, Controller and other members of the staff and confirm that processes are being followed. As expected, the headquarters staff are professionals and the system they utilize are reliable. That is a complement to our Executive Director, Controller and all members of the staff.

Of course, I continue to assist my chapter, my district, my region and the other members of the Supreme Lodge in all regards. This year my travels took me to many Districts and Chapters in the US and Europe. Our grassroots organization thrives. So much of our work is on a local level and is almost unnoticed nationally. That doesn’t make it any less significant. We should brag about our Chapters’ accomplishments. They need to know that their efforts are recognized, publicized and appreciated.

The Supreme Lodge under the guidance of our Supreme President, Jimmy Kokotas continued to elevate AHEPA as the preeminent organization of Hellenes in the world. Like all Supreme Lodge members, District Governors and Chapter Presidents, significant efforts are continuously necessary for membership retention and gains. This is important to note because we all know membership is our lifeblood. In many areas membership is our biggest challenge. These membership efforts have to continue in the upcoming years.

The American Hellenic Educational & Progressive Association is a united family working together - then, now and in the future.

Fraternally

E. Chris Kaitson, Esq.
One-hundred years is a remarkable accomplishment for any organization, and none more so than Order of AHEPA. The past year saw the conclusion of the 100-year Anniversary for AHEPA, with celebrations, tributes, and events, and allowed us to begin writing the next 100 years of AHEPA. The next one-hundred years will show our staying power as an organization and allow us to build upon 100 years of remarkable service. The best part is that the future is blank and we are the ones writing the future for this organization.

As Counselor, it was my duty to interpret the meaning of the Constitution, Bylaws, and mandates of the Supreme Convention. There were many instances of legal interpretation for districts and chapters. However, as we embark on our second one-hundred years in AHEPA, it is the perfect opportunity to review our Constitution and Bylaws, along with ensuring our AHEPA Brand is secure. The Legislative Committee was put together with the directive of reviewing and editing the Constitution and Bylaws for inconsistencies and outdated provisions, along with proposing legislation that would modernize our organization. Our AHEPA name and logo is one of the most important “assets” of our organization. This year not only saw the renewals of our trademarks in the United States, but also the filing of trademarks in countries around the world. This year saw a lot of travel and visitations. As Counselor, I was assigned by Supreme President Jimmy Kokotas as Liaison to District 1 through 4, and I traveled for visitations throughout the United States, Canada, and Europe.

Legal Advisor
The following listing includes some of the instances where, as Counselor, I acted as legal advisor to AHEPA and its auxiliaries:
• AHEPA Trademark Protection and Filings (detailed information below)
• Drafted Trademark Use Document
• Responding to Copyright Infringement Cease and Desist letters sent to districts and chapters for copyright misuse
• Reviewed the contract for the November, 2022 Costa Navarino golf tournament in Kalamata, Greece
• Reviewed the contract for the October, 2022 golf tournament at Reunion in Orlando, FL
• Reviewed the contract for the April, 2023 golf tournament at Gila River Resorts & Casino at Wild Horse Pass, Arizona
• Reviewed the contract for 101st Supreme Convention golf tournament at TPC Las Vegas
• Reviewed and advised districts and chapters on their specific bylaws, policies, and procedures
• Advised districts and chapters on legislative proposals they wish to submit at the 2023 Las Vegas Supreme Convention
• Answered chapter and district legal questions, as to entity status regarding tax deductibility
• Answered chapter and district questions as to Constitution and Bylaw questions
• Assisted the Daughters of Penelope in filing a trademark for their new logo
• Assisted the Daughters of Penelope in removing “Book of Rituals, by Order of Daughters of Penelope” from Amazon and Wildside Press and responding to publisher counter claims
• Wrote the recommended “Trademark” section for the Daughters of Penelope bylaws
There were numerous other occasions when legal advice was provided to officers and members in meetings, informal contacts, or telephone calls.

Mandates of the Supreme Convention

A prime duty of the Counselor is to review and draft the legal language for incorporation of legislative proposals enacted by the preceding Supreme Convention into the AHEPA Constitution and Bylaws. This was done in September, 2022, upon receipt from AHEPA Headquarters of the legislative proposals passed at the 2022 Orlando Supreme Convention. The Constitution before the delegates to the Las Vegas Supreme Convention will reflect these amendments.

AHEPA Constitution & Bylaws Committee

In updating and editing the AHEPA Constitution and Bylaws, it became apparent that contradictions and confusing language had appeared, as well as provisions that no longer were relevant. After many years of discussion to rewrite and modernize the Constitution and Bylaws, with the mandate given at the 2022 Orlando Supreme Convention, as Counselor, I undertook the task of putting together a Legislative Committee to achieve the goals of modernizing the Constitution and Bylaws.

As Counselor, I served as an ex-officio member of the Legislative Committee. Matthew Kochevar (Indianapolis, IN), was appointed Chairman of the committee. Great effort was put into selecting members to serve the committee who provided equal representation throughout the AHEPA domain, and who brought ideas and thoughts from their respective districts. Committee members included Harry “Tom” Cavalaris (Charlotte, NC), Asteris Fanikos (Trenton, NJ), Chris Kaitson (Houston, TX), Greg Kanargelidis (Toronto, Canada), Dimitrios Kirkiles (Fort Lauderdale, FL), Tassos Konstantin (Oakland, CA), Bill Lambropoulos (Anaheim, CA), and John Mesogitis (Pittsburgh, PA).

I cannot thank the committee enough for their dedication and hard work in achieving this daunting task, in time to be considered for adoption by the delegates at the 2023 Las Vegas Supreme Convention. The delegates should know that a lot of discussion and thought went into every word and proposal.

AHEPA Intellectual Property

TRADEMARKS - As our organization continues to grow worldwide, now more than ever we need to ensure that our AHEPA name and logo are properly registered, maintained and preserved. At the 2022 Orlando Supreme Convention, the delegates passed the amendments updating Article 29, Section F “Trademarks” of the AHEPA Bylaws. The amendments bring our organization in line with proper trademark use and procedures as advised by the United States Patent and Trademark Office (USPTO), and as required by both the European Union Intellectual Property Office (EUIPO) and the Intellectual Property Office (IPO) in the United Kingdom. The Bylaws amendment did not change how members and officers can use the AHEPA marks, but
rather codified the practices and procedures as they already existed. A Trademark Use document was also drafted to share with all district and chapter officers.

AHEPA Trademark Renewals (United States) – AHEPA has ten federally registered and live trademarks in the United States. Every ten years, both a Section 8 “Declaration of Use” and Section 9 “Application for Renewal” filings are required for each mark. This year, nine of the ten AHEPA marks came up for their second ten-year renewal (20 years total). The filings for all nine trademarks were submitted with the USPTO. The tenth, and final mark, will be eligible for renewal beginning in December of 2023.

AHEPA Trademark New Filings (Canada, European Union, and United Kingdom) – As AHEPA continues to grow its footprint, it was imperative to properly protect our name and brand in the countries for which we already have chapters. Not filing in those countries increases the chance of misappropriation, makes defending the mark more difficult, and allows others to potentially file the mark.

Three marks were filed with each of the EUIPO, the IPO (UK), and the Canadian Intellectual Property Trademark Office (CIPO) agencies. They were (1) the “Order of AHEPA” name and logo, (2) “AHEPA,” and (3) “American Hellenic Educational Progressive Association.” The process was lengthy and time consuming, as it required multiple answers to responses by the offices.

Ultimately, all three marks were accepted and registered in both the EUIPO and IPO, giving AHEPA protectable marks covering the United Kingdom, and all the countries in the European Union. All three marks are currently under review in Canada with the CIPO, that is months behind. A timely answer was filed to a response by the CIPO, and we are awaiting final registration.

COPYRIGHTS – Copyrights are an important part of intellectual property law and should not be overlooked, specifically the use of copyrighted work by members of AHEPA in the promotion and marketing of chapter and district events. Any original work of authorship, includes but is not limited to images, phrases, quotes, text and documents. Cutting and pasting images from the internet without securing proper copyright use can result in having to pay damages that can run into thousands of dollars.

This year an AHEPA district received a cease and desist letter for improper use of an image on a post from several years ago. The monetary demand was nominal but could have been worse. Entities exist whose sole purpose is to claim damages from infringers. There are many free and paid services where images can be secured for use in AHEPA marketing, with proper copyright licensing. Such programs include Canva, Getty Images and Adobe Stock Images. A “Copyright Use Document” outlining the best approach has been created and will be circulated to the chapters and districts.

Conclusion

It has been an honor and privilege to have been elected Counselor and to serve on the Supreme Lodge this past year. Serving on the Lodge affords officers a unique opportunity in seeing AHEPA and its strength of chapters and districts all coming together. AHEPA is and will always be our members and the grassroots work that they perform. Being able to support our chapters and districts has been a personal highlight this year.

As we look to our next 100 years, let us cherish our accomplishments, and pave a new path forward for our next century. Now is the time for us to think outside the box, implement new ideas, and continue to grow our organization to new heights.

Fraternally,
Themistocles P. Frangos
Supreme Counselor
It was a very interesting and fun Year for the Athletic Department. It is truly an honor to oversee one of the finest programs that is offered in the Order of AHEPA. This year we held 3 National Golf Tournaments, a National Bowling Tournament and brought back the AHEPA Bone Marrow Basketball Tournament. We will induct 4 to the Hall of Fame and add a Veteran’s Committee selection and a Contributor category selection. You can see that Athletics has been very busy.

Here are the current Directors of the National programs.

National Golf Director- Brother Sandy Papadopoulos from Georgia
National Basketball Director-Costa Papadimitriou from New York
National Bowling Director-George Karras from Indiana
National Hall of Fame-Director-Gregory Stamos from Connecticut
Athletic Scholarship Director-James Rigopoulos from California

Let me briefly report on National Athletic events that took place in the last fiscal year.

**AHEPA National Golf Tournaments:**
Under the leadership of National Golf Director Sandy Papadopoulos, three National Golf Tournaments were held since our last convention.
In October 2022, we held our National Fall AHEPA Invitational. We played at the Reunion Resort in Orlando, Florida. Here were the results.

A Flight Champion (0-10 handicap)-George Les from Chicago.
B Flight Champion (11-16 handicap)-John Soughan from New Jersey

In November of 2022, AHEPA created the first AHEPA Cup Golf Tournament at Costa Navarino Golf Resort in Greece. We had 38 golfers from America and Canada fly in and we had 22 golfers from Greece participate. We played a mini Ryder Cup format. The team from America won the AHEPA Cup 15 ½-10 ½

April of 2023 Athletics hosted the Dr. Monthe Kofos National Invitational at the Whirlwind Golf Resort in Chandler Arizona. We had 70. We welcomed 18 new first participants.

Overall Gross Champion-George Panousis from Indiana
A Flight Net Champion (0-12 handicap)-Chris Sack from Colorado
B Flight Net Champion (10-17 handicap)-Neil Molloy from California
C Flight Net Champion (18-21 handicap)-Bill Frigelis from Chicago
D Flight Net Champion (22+ handicap)-Dino Svigos from Chicago

**AHEPA Bone Marrow Basketball Tournament:**
Basketball was back this year. Bone Marrow Tournament was held in March in Chicago. 128 games were played over a 4 day time period in 4 different divisions. Want to thank Dr Venetos Director of the AHEPA Bone Marrow program for his hard work.

**AHEPA National Bowling Tournament:**
Under the leadership of National Bowling Director George Karras, AHEPA held its annual National Bowling Tournament. Tournament took place April in Hammond, IN. We had 18 teams participate. This year’s National Team Champion is the Joliet Chapter #131 from Illinois. Singles Champion was Jonathan Trahanas from the Garfield Chapter in Illinois. Doubles Champions were Jim Mitsopoulos and Bashar Hasso from the Aegean Chapter in Michigan. All Events Champion was Bashar Hasso from the Aegean Chapter in Michigan.

This year we will induct 4 new members to our AHEPA Hall of Fame. We will recognize 1 Contributor and award a Lifetime Achievement. Here are these selections:

**Hall of Fame Inductees:**
- Alexi Lalas - Soccer
- Kristofer O'Dowd - Football
- George Kostelis - Soccer
- Jason Zaifiros - Tennis

**Recognition/Contributors:**
- George Kokinis - Football

**Veterans Committee Selections:**
- Nick Marouzis - Football

**Special Recognition Lifetime Achievement Award**
- Hon Judge Thomas Yeotis

**National Awards:**
AHEPA will recognize a current active Professional and a current active College player and an outstanding High School Athlete. This year's recipients are:

- **Maria Sakkari** - Professional Tennis from Greece will receive the Harry Agganis award.
- **Kyle Karros and John Poulakidas** are Co-Winners of the William Chirgotis College Athlete award. Kyle plays Baseball at UCLA and John plays Basketball at Yale.
- **Alexis Kerstein** - Deerfield, IL. High School will receive Agganis/Galatis Family Family Award

**National Scholar Athletes:**

This year scholarships will be awarded to 8 deserving High School Athletes.

- **Evan Kanellos** - Glenview, IL
- **Panayiotis Dadiotis** - Edgewood, CO
- **Alexia Despina Nicholas** - Annapolis, MD
- **Sophia Alton** - Amherst, NH
- **Peter Athanailos** - Floral Park, NY
- **George Belbas** - Sioux Falls, SD
- **Peter Belbas** - Sioux Falls, SD
- **Paris Pappas** - Wilmington, Del
- **Konstantina Mantziari** - Greece/Florida
- **Konstantinos Dimitrakopoulos** - Greece/Florida

Thank you to the selection Chairman Jim Rigopoulos and his Scholarship Committee Ed Guminski and Gregory Stamos.
District Athletic Director of the Year: Patrick Panagopoulos Albuquerque, New Mexico

Future Suggestions:

I have a few thoughts as to how to grow and improve our athletic program. AHEPA Athletics earned approximately $17,000 of interest from the Booster Fund. We are able to use dividends and interest from the fund to grow and operate Athletics. We spent close to $14,000 just on the Convention Athletic Luncheon. Between Scholarships, Program Booklets, Plaques, Trophies and comped guests and families, we spend most of our annual income. Doesn't include the prize money that we donate for the bowling tournament, cost of running the basketball tournament. We will need to focus on future fundraising strategies for ATHLETICS.

AHEPA needs to formally apply for sales tax exempt status in all 50 states. When we host National Athletic event we could save the expense that we pay in tax.

More participation. We need to increase participation at our national athletic events. It is my plan to begin visiting the various Districts and helping each District Athletic Director build and host at least one local Athletic event.

Expand the Athletic Committee and add volunteers.

Need every District to add a District Athletic Director. Most Districts do not have one. It is a very important position and would help me spread the work about existing events and grow the program.

Please consider donating a Scholarship in the name of your Chapter, District, family member or loved one who has passed on but was a lover of Athletics. A $2,000 annual donation would give you the ability to name a scholarship for family or loved one.

I need to thank Brother Basil Mossaidis, Rory Puckerin and Sam Egziabher for all their help they provided in operating the National Athletic events.

I am always open for suggestions. Feel free to reach out to me anytime. I can be reached at chris.atsaves@ubs.com or at 847-942-8389.

It is truly an honor to serve as your Supreme Athletic Director.

Report of the Chairman of the Board of Trustees
Nicholas A. Karacostas, PSP

Headquarters Reports

Report of the Executive Director
Basil N. Mossaidis
Report of the Chairman  
AHEPA Board of Trustees  
Nicholas A. Karacostas  

I would like to take this opportunity to thank all of the members of the Board of Trustees: Vice Chairman, George Horiates, Secretary, Alex G. Geourntas, Nick Aroutzidis, Carl Hollister and the late Anthony Kouzounis (may his memory be eternal) who collectively helped address issues that we felt were very important for the financial future of our beloved Order. I would also like to thank Supreme President Jimmy Kokotas for his efforts and acts of inclusion.

Trust Portfolio  
On April 1, 2022, the beginning of the 2023 fiscal year, the portfolio balance was $3,927,019. The fund remitted $135,126 in earnings to the Operating Fund during the fiscal year ending March 31, 2023. The portfolio ended the fiscal year March 31, 2023 with a fund balance of $3,679,684. The portfolio is under the incisive management of our investment manager, Phillip S. Contacos of Wells Fargo Advisors. These funds are in compliance with the National Trust agreement which reflects past delegate approval of increasing the percentage of equity securities held in the portfolio from 55% to 70%.

Educational Foundation  
The Educational Foundation has experienced similar outcomes. At the close of this fiscal year March 2023, the portfolio balance was $5,190,651.48 in securities and money market balance of $65,077. The fund has also remitted over $82,050 to the Educational Foundation’s scholarship program. The AHEPA Educational Foundation, under the chairmanship of George A. Vorkas, continues to make education more affordable for our youth. Our recommendation to increase the size of the scholarship awards was accepted by the Foundation with most scholarships’ recipients awarded $2,000.

Athletics  
The Athletic investment portfolio is also administered by the Board of Trustees. Since the Board took over the management of these funds in May 2009, the investments have increased by $327,123 from the initial amount of $208,657 in March 2009, to a current total of $535,780 at the end of this fiscal year March 31, 2023. Interest and dividends of $23,736 for the year. These funds are compliant with the trust agreement.

Invest for the Future  
The AHEPA needs to continue its progress. To do so we must ensure our future by making sound investments today. Additionally, we have implemented the AHEPA Capital campaign Endowment and thoughts are being developed in the area of charitable annuities. This would provide income to the Order via annuities whereby the donor would receive a charitable deduction and receive income for life and the corpus would go to AHEPA.

Charitable Foundation  
*AHEPA Foundation, Inc.* The Board of Trustees created the AHEPA Foundation, Inc., a tax-exempt DC corporation on February 1, 2011. The Corporation has received IRS Section 501 (c) (3) status. The AHEPA Foundation, Inc. is to be used by all AHEPA national departments to
receive charitable contributions under Section 501(c) (3) including the Charitable Fund, Bone Marrow, Educational Foundation, Cooley’s Anemia and the Athletic Department, and many of AHEPA’s other charitable endeavors. I am pleased to report that the AHEPA Foundation, Inc, under the auspices of the Board of Trustees, purchased the AHEPA Epiphany City Chapter #16 property in Tarpon Springs, Florida in order to preserve the AHEPA its place in AHEPA history, and provide a permanent home for AHEPA brothers in the region.

**AHEPA Capital Campaign Fund**

AHEPA is the oldest American association of Hellenes with nearly 100 years of history. For AHEPA to sustain its legacy for the next 100 years, the Capital Campaign Fund was established. This fund will be supported through tax-deductible donations from members, their chapters and districts and from the Hellenic community. Our endowment goal is $10 million. The first donor, John E and Cleo Rumpakis, kicked of the Campaign with a donation of $150,000 and PSP Anthony and Millie Kouzounis followed with a donation of $50,000! Thereafter due to the efforts of Supreme President Horiates, AHEPA received $20,000 from Manolis Painting Co and $10,000 from the Elliott Foundation. We invited everyone to leave their permanent signature on our history by donating to the AHEPA Capital Campaign.

**AHEPA Greek Wildfire Relief**

The Order of AHEPA has raised over $180,000 for this cause. As always, our concern and caring for the people of Greece, Cyprus and the region in general, are of paramount importance. AHEPA will always be ready to assist, as we have done since 1922.

**AHEPA Campaign to Build Saint Nicholas National Shrine at World Trade Center**

AHEPA’s commitment of $1 million was fulfilled in July 2019. We continue to collect funds for this deserving campaign, we have been advised from the Archdiocese that the total funds raised to date is **$1,034,000**.

**AHEPA Veterans Committee**

Approved by the 106th Congress, it was first presented to all AHEPA veterans present at the 34th Biennial Congressional Banquet, March 29, 2000. The Supreme Lodge then encouraged its districts and chapters to present this medal to its deserving veterans unable to attend this banquet. It is this committee’s intent to register AHEPA Veterans and have the AHEPA Medal presented at appropriate events at the District and Chapter levels. Funds collected through this effort cover medal production and shipping. Remaining proceeds will be donated to a Veteran’s Program annually.

**Building Income**

The Board has been pro-active in determining current market values for office space in Dupont Circle. The Pandemic has had a negative effect on commercial space leasing. The 3rd Floor was finally rented as of February 1, 2023 after being vacant for 10 months. This has affected our building income for this fiscal year. Total rental income for the fiscal year ending March 31, 2023
was $235,250. I am happy to inform you that a current tax assessment of our building is at $4,344,410 which is almost double the purchase price.

2023-2024 Budget

I am very proud that this Board is once again presenting a balanced budget for fiscal year ending March 31, 2024. Together with headquarters the Board has managed to reduce some costs and expenses. The Board has worked to achieve a positive cash flow and build up a reserve for our organization. Additionally, I am pleased to report that the operating Wells Fargo Investment Reserve Account was at $490,133 as of March 31, 2023.
UPDATE ON REVOCATION OF TAX-EXEMPT STATUS
Prepared by: Kathy Georgen, CPA (AHEPA Auditor and Tax Preparer)

Background: The Order of AHEPA Group Return Form 990 had always been filed on paper due to the subordinates included in the return and problems with rejections upon attempting to file electronically. The Taxpayer First Act of 2019 required all tax-exempt organizations to electronically file their information returns and related forms on or after July 1, 2020. The Form 990 which was filed on February 18, 2021 was filed on paper and accepted by the IRS due to the exception above regarding subordinates. The Form 990 filed on February 8, 2022 was rejected by the IRS on August 1, 2022 and returned to Headquarters. A response was prepared and sent to the IRS as justification of paper filing and stated that all returns going forward would be electronically filed. The Form 990 filed on February 16, 2023 was filed electronically after finally resolving the e-file rejection issues with the IRS which dealt with both the tax-exempt status code under which The Order of AHEPA falls according to the IRS database and also the name/EIN matching of the subordinates included in the Group Return. The next communication from the IRS was dated April 24, 2023 stating that the tax-exempt status of both Headquarters and the Group Exemption (which includes the bulk of the chapters and subordinates) had been revoked due to non-filing of returns for the three prior consecutive years. This was followed by revocation letters to the chapters and subordinates included in the Group Exemption dated May 8, 2023.

Timeline of Actions Taken:
- **May 9, 2023:** A call was made to the IRS to begin the retroactive reinstatement process for erroneous revocation of tax-exempt status due to a clerical error on the part of the IRS. Upon their direction, a cover letter and back-up documentation was faxed to the Exempt Organizations Accounts Area which included proof of filing for the past three consecutive years and an explanation of the magnitude of the situation and requesting expedited services for the reinstatement process. According to the IRS Representative, this process has a timeline of anywhere from 30 – 90 days.
- **June 9, 2023:** A call was made to the IRS Exempt Organizations section to inquire as to the status of the reinstatement. We were told that the request had been passed through the appropriate channels and was now in the Legal/Tax Law Section which will issue the reinstatement. The IRS also said that they now needed an additional 30 – 60 days to complete the process.
- **June 14, 2023:** The Taxpayer Advocate Service for the District of Columbia was contacted and a case number was obtained to enlist their help in resolving this issue. A phone call from the office was received on June 23, 2023 asking for the additional information to substantiate the reinstatement. This information was sent that day and receipt was acknowledged. This office asked for 60 days to complete the request and stated that they would give an update on July 31, 2023.
- **June 22, 2023:** As an additional measure to get this issue resolved, a Form 1024 was submitted online with the IRS which also asked for expedited retroactive reinstatement due to erroneous revocation for failure to file. This submission contained all of the back-up previously submitted along with additional information on the history of the Organization and also information on the chapters and subordinates involved proving the consistent filing of all required returns. This process generally takes up to 3 – 5 months to complete.
- **June 25, 2023:** The Office of Delegate Eleanor Holmes Norton of Washington DC was contacted and a case was established through her office to also assist in the resolution of this issue. Acknowledgement of the case was received by her office and also assignment of a staff member to the case. The acknowledgement stated that the IRS had been contacted on behalf of the Organization, and that under law, the IRS has 30 days to respond directly back to the Delegate’s office.
- **July 10, 2023:** A call was made to the Exempt Organizations Section again to check on the status of the reinstatement. The IRS Representative spoken to stated that this request was continuing to be processed and also stated that the tax-exempt status was “revoked erroneously”. The Representative stated that the IRS Legal/Tax Law Section needed an additional 30 days for resolution “due to an extreme back-log from continuing to catch-up from COVID shutdowns.”
- **August 9, 2023:** A call is scheduled to be made to the Exempt Organizations Section again to check on the status of the reinstatement.
Closing

Over the past 4 years that I have been Chairman of the Board of Trustees, the AHEPA has been working diligently to improve, create and maintain our presence around the globe as a leader in the Hellenic community. As a current officer, I want to point out how important a job AHEPA does in our community and how impressive a portfolio we have to be proud of. I have witnessed a great renaissance in the AHEPA, and our actions prove this.

Together these past 4 years we have:

- Raised over $180,000 for Greek Wildfire relief from our membership and Hellenes across the globe to be donated to the AHEPA Fire Burn Unit at Evangelismos Hospital.

- Donated Hundreds of Thousands to the IOCC for the shipment of a container of medical supplies and equipment to the AHEPA Hospital in Thessaloniki.

- Raised over $65,000 from our Districts and Chapters to fund the AHEPA National Tragedy Relief fund for the California Wildfires and National Hurricane relief efforts.

- Purchased wreathes for the AHEPA annual Memorial Day laying service to over 600 Greek Americans interred military heroes buried at Arlington Cemetery.

- Continued the fundraising initiative in support of the rebuilding of the Saint Nicholas Shrine at the World Trade Center.

- Raised our sponsorship donations for the AHEPA Supreme Convention helping to defray costs to our delegates.

- Secured over $201,000 in an educational scholarship from the Carrie C. Cummins Trust to award $10,000 annually to a graduating female high school student going to college.

- Received $20,000 from Constantine and Patricia Mavroyianni for three $5,000 scholarships to graduate students of Greek heritage and are enrolled in a PhD program in the Faculty of Science at a North American university.

- Received $150,000 from PSG John E. Rumpakis, $50,000 from PSP Anthony & Millie Kouzounis, $20,000 from Manolis Painting Co and $10,000 from the Elliott Foundation for the AHEPA Capital Endowment Campaign fundraising program.

- Donated $30,000 to the Children's Hospital of Philadelphia for COVID-19 research.
• Raised and donated $25,000 to the EVROS Boarder Fund for the purchase of police equipment and riot gear.

• Awarded Hundreds of Thousands in AHEPA Educational Foundation Scholarships and Sponsored Journey to Greece students from across the AHEPA domain.

• AHEPA Veterans Committee continued the web site for registration of veteran members of the AHEPA and for the collection of donations to Veteran’s Programs.

• Awarded Athletic Department Scholarships.

• Increased the quality and pages to the AHEPA magazine due to annual advertisers.

• AHEPA awarded millions of dollars in scholarships and charity through hard work in our local communities through our nearly 400 chapters.

• Donated $30,000 to the Ukrainian Relief efforts.

• Donated $3,870 to the Greek America Foundation for the 2022 Summer Volunteer Inter program.

• Raised funds to support the AHEPA Journey to Greece Program which offers young college students up to 6 college credits while attending classes and cultural programs.

Despite the challenges of the global pandemic, AHEPA managed to not only maintain its membership but grow in various areas throughout the world. The Supreme President along with the assistance of the Board of Trustees managed to maintain our positive cash flow through dues because of the outreach that was afforded them by using Zoom or any other means to connect with chapters and to promote AHEPA and increase our membership.

The AHEPA is the only group of its kind in the world, and the work we do is unmatched. We should look at our accomplishments and revel in the fact that AHEPA is relevant and our mission is as clear today as it was in 1922. Congratulations to all of our chapters and members for making the AHEPA the greatest organization in the Greek American community for 101 YEARS! I look forward to more challenges we will approach together, and I am confident we will achieve even greater success.

My gratitude also extends to the AHEPA Housing Corporation’s continuing expanding support of the AHEPA Magazine and the AHEPA Convention. I would like to thank Brother Andrew Kaffes for his communications expertise, and Rosalind Ofuokwu, Rory Puckerin and Stephanie Maniatis for their extraordinary performance of their duties. Headquarters’ staff is very limited in quantity, but certainly not in quality.
Lastly, thanks to Brother Basil Mossaidis for his efforts and support at AHEPA headquarters, and in this same vein I thank Mr. Samuel Egziabher Associate Controller and Elliot Antokas CPA consultant for their hard work and commitment to AHEPA. Together, their vast accounting experience and financial knowledge have made the Board’s job easier.

In closing, my sincerest thanks once again to all the members of the Board. During this past year the Board has met in the spirit of brotherhood, with passion and sincere dedication and has persevered for the progress of our Order. Individually, they have never failed to do what is best for the Order. “Well done Brothers and Thank You All.” It has been an honor and privilege to serve the AHEPA as Chairman of the Board of Trustees and I thank you all, each and every one of you, for this opportunity.
Report of The Executive Director

Basil N. Mossaidis

Since 1922 AHEPA has been in the forefront, preserving and maintaining our history and our legacy. Our founding fathers had vision to create an organization to promote and advance Americanism, to practice philanthropy and to educate the Greek-American community. AHEPA fought bigotry, prejudice, discrimination, and intolerance which our early immigrants faced at the hands of extremist groups. The basic principles and ideals of Hellenism, education, philanthropy, civic duty, family and individual excellence democracy, human rights and fraternal love for one another, is what created the AHEPA and what we promote and preserve.

As your Executive Director, and a proud 39-year member of the AHEPA and a 42-year member of the AHEPA family, I am proud to call each and every one of you, my brother. I am proud of our fraternity, our brotherhood, because it is unique, and it is great. We like to look back and be nostalgic on what AHEPA did yesterday, but our mission is to look forward to the future and maintain AHEPA’s relevance and importance in the generations to come.

We do things because it is right, not because it is easy.

We should be proud of the over 1 million members who have been initiated into the Order of AHEPA since its founding. We should be proud of the $1Billion in philanthropic aid we have offered since our founding. We should be proud of “inventing” Greek America, no one else can say that. Our focus and drive should be to increase our good works.

ADMINISTRATION

The five-member full-time staff strive to provide the best possible service for all our members, Supreme Lodge, Board and committees. We pride ourselves on providing all of our available resources and professional knowledge and skills to all of our elected officers so that they can execute their duties to the best of their abilities.

Our Global Headquarters plays a pivotal role in conjunction with the Board and Supreme Lodge to manage expenses, cut costs where necessary, and make our convention a financial success. 20 years ago, the convention we scheduled to simply hold elections, now the convention is a revenue stream for the existence of our Order. We achieve these goals by adhering to the budget that the Board develops while assisting to securing alternative sources of funding. Cost cutting is one way for us to continue our business, but we need to focus on additional revenue streams. This allows us to increase services to our membership and offer first class events and programs to the Greek American community.

The effective planning and execution of Supreme Conventions allows headquarters to increase profitability of this event. It is a crucial part of our existence and is one of our most time-consuming programs. Our planning and expertise in this area is one of the most important facets of our job, it takes several months to prepare for our conventions.
**AHEPAN MAGAZINE**

Don’t let anyone discount the importance of our magazine. It allows ideas, programs and news to be shared across the country. It should be viewed as a service, not only as a benefit. My thanks to the AHEPA National Housing for the continued support they offer, it is very much appreciated. We need more advertisers; we need your help! Please take time to read your magazine but more importantly, use it to recruit new members or advertisers.

**MEMBERSHIP**

Paid memberships are slowly declining. This trend is not easy to reverse. We have several ideas we will list in the suggestion section of my report. The internet and other groups are taking the place of organizations like ours. Everyone knows people that are not Ahepans, let’s ask them to join, we do not self-promote for some reason. We need to radically change the way we approach membership and stop limiting ourselves as to who can be a member. Chapters are “turning down” members because they feel they are not worthy of being members, or so I am told. I don’t believe this. Our chapters are slowly stopping all the work they once did in recruitment and communicating with the members.

**CHAPTER/DISTRICT OFFICER CHANGES – WE NEED YOUR HELP!!!**

We are in need of leaders who can grasp the power of the internet and use to have our membership swell. We need to create and maintain a category of “Free” membership an email database of names who are connected to us but don’t pay to be part of it. After some time, we can solicit them for our chapters or internet membership. This is an idea which has been discussed for some time and finally coming of age.

Every time headquarters tries to solicit members from our delinquent list, we get calls that we are “stealing” a chapter’s members. If these delinquent members are not paid for at least 2 years, the chapters have lost them. We lose most of our members in the first 3 years they join. There are NO members who leave membership when they have reached 48 years of service.

As a membership organization, it is difficult to find the magic bullet of answers but we need to be aggressive on the internet and in order to do that we will need support. AHEPA is a great organization, we do great things, but at the core, we are our own worst enemy. We do not pull together to work with each other and share best practices, we do not try to make AHEPA shine in our communities.

We award over $2Million a year collectively thru chapter, district and national scholarships across the country, but no one calls their local newspapers to ask them to attend a banquet honoring the students. We honor veterans and life members, and no one sees the work we do. We raise money for food shelters and homeless shelters, no one calls the local newspaper to take a photo when we present the check. We feed thousands of people a year, no one knows about. Our chapters have dinners and events honoring local heroes like policemen and firemen, elected government officials, and no one send headquarters a photo to let us know.
IDEAS/COMMENTS

1. Supreme Governors should be replaced with Regional Vice Presidents with the title “Executive Vice President” in lieu of Supreme Governor. They should be appointed by the Supreme Lodge not elected. AHEPA should reduce the US based Supreme Governors to 4: north, south, east, west and add one for Canada, one for Europe. Restructure the organization of the Supreme Lodge. We should elect the top officers (Supreme President, Vice President, Secretary Treasurer and Counselor) and then appoint the “Regional Vice Presidents (replacing the title of Supreme Governor) and these 8 appointed Vice Presidents would cover areas regions. AHEPA should have a Northeast VP, Southeast VP, Midwest VP, South Western VP, North Western VP, Canadian VP, European VP and a VP at large.

2. We should have joint district convention, each district in the region should have separate meetings and elections and then in turn all meet together for social functions. The District Conventions are slowly dying no one wants to host them or attends because it is the same old thing. We need to push for every region to have joint convention. We could add 1 additional day in the beginning of our national Convention which would allow for EVERY District to meet, discuss and vote.

3. One Man/One Vote
   We should eliminate the delegate voting system. Every due paying member should come to the national convention, pay for a package and be entitled to vote. Eliminate the June 1 deadline for delegates and just have a package price which will be pre-registered (early bird) for one price and on site for another.

4. Living wills/Bequests.
   The AHEPA needs to adopt, aggressively a program, which allows us to inherit funds from individuals who place us in their wills. I will ask the Board to have a program drawn up to allow for the gifts and bequests to be derived from our members at some kind of advantage to them while they are living. We are missing the boat on this issue. The Board has approved several items on this and I am happy to say that we are in the final development stage for: a. Legacy Membership b. Free Membership for college age individuals

5. The Convention Chairman for the next year’s convention should be elected at the end of the previous convention so that he can appoint committees and they can work all year as a committee and report at the convention without scheduling committee meetings during the convention this eliminating unnecessary meetings and speed up our convention business; perhaps eliminating 2 days of useless days.

6. Fully fund the Journey to Greece Program by securing sponsors to assist in the expense and making the program a viable success. Have one summer program for 5 weeks, every year for 20 students. The AHEPA needs to secure private and public funds in every way to fund this program to the hilt, it is the single most progressive program we have. Each District should be mandated to participate by donating $2000 a year towards this program.
7. Every participant in every event (athletic, educational, and social) MUST be a member of the AHEPA to participate. In other words, EVERY student who wishes to apply for a scholarship MUST BE A MEMBER IN GOOD STANDING TO APPLY. No Exceptions.

8. Create one price for national dues. Headquarters would bill every member $75 per year for membership in the AHEPA. Headquarters would bill every member annually, provide a card for their dues payment and in turn eliminate all the confusion which is now being dealt with in our chapters. From the $75 AHEPA would pay the individual chapter $12.50 per paid member and the district $12.50 per paid member. The $5 would go to offset the additional costs of mailing all the bills.

**CONCLUSION**

The Supreme Lodge should take on the responsibility to travel, drive to and visit EVERY chapter in the AHEPA domain. We cannot count on email, phone or regular mail to do the job of pressing the flesh. Every extra penny we have should go to visiting the chapters. Having the chapters come to regional meetings is nice, but nothing replaces a visit by the Supreme President to your hometown.

The AHEPA is a brotherhood, a family and we need to work together to make all our programs a success. We do so much good for so many people, and we always do it for the right reasons, we do it because we can and because it’s right, be proud you are a member and get others to join.

I would like to, once again, thank my staff at headquarters (Rory, Stephanie, Rosalind, Sam and our interns and consultants), thank you for your hard work and dedication, AHEPA is lucky to have all of you! Thanks to Andrew Kaffes for all his assistance and support. To Elena Saviolakis, Daughters Executive Director, thank you for all your support and cooperation.

To the Board and Supreme Lodge, thank you for your support and kind words of encouragement.

Basil N. Mossaidis

AHEPA BONE MARROW PROGRAM

This program was originated by the Coral Gables Chapter No. 490 in 1990 when members of the local AHEPA chapter were asked to donate a small test tube of blood to see if they would match the son of one of the members who was in need of a bone marrow transplant. It quickly became obvious that an even greater need existed and the AHEPA Bone Marrow Donor Registry was incorporated as a tax-exempt, non-profit organization, under the AHEPA Charitable Foundation, with an established Board of Directors and Medical Advisory Board.

The AHEPA Bone Marrow Donor Registry has a dual function and purpose:

1. To educate and recruit new potential marrow donors.
2. To coordinate the entire search process both nationally and internationally for patients in need of an unrelated donor.

AHEPA COOLEY’S ANEMIA FOUNDATION

Cooley’s Anemia, also known as Thalassemia, is a fatal genetic blood disorder which affects mainly people in the Mediterranean area. Today, in order to survive, children must receive blood transfusions every two weeks and receive painful drug injections via an infusion pump every night of their lives.

In its major form Cooley’s Anemia is fatal. Over two million people in the United States are carriers of the minor form and do not even know it. The bad news is that these people are at risk in passing along the major form if they have children. The good news is that a cure is finally in sight.

For the past twenty years the AHEPA Cooley’s Anemia Foundation has been working on a three-pronged attack to fight this fatal disorder. Monies have been raised to conduct screenings, to print and distribute educational materials and to support the research of leading hematologists and geneticists in our country.

AHEPA EMERGENCY RELIEF FUND

The AHEPA Emergency Fund is a fund which collects funds from donations and sends much needed aid or supplies to individuals or communities which experience natural disasters such as wildfires, floods, hurricanes or earthquakes.

AHEPA CHARITABLE FOUNDATION

The AHEPA Charitable Foundation is part of the AHEPA Foundation, Inc. – a 501 (c)(3) entity of the AHEPA which was created to accept 100 percent tax deductible donations for charitable projects. The AHEPA Foundation, Inc. is accepting donations to help with humanitarian relief
efforts, national projects, and more. The Charitable Fund also collects monies for use by our Emergency Fund, and all of AHEPA’s Philanthropic endeavors.

**AHEPA SERVICE DOGS FOR WARRIORS**

Spearheaded by our brothers in District 5, the AHEPA Service Dogs for Warriors Program directs funds towards purchasing service dogs for veterans in need. A specially trained PTSD dog can provide a sense of security, calming effects, and physical exercise that can make a positive difference in the life of those who suffer with post-traumatic stress disorder. Since its inception, AHEPA Family members from across the country have been able to gift service dogs to veterans in need.

**AHEPA VETERANS AFFAIRS COMMITTEE**

The goal of the Order of AHEPA Veterans Affairs Committee is to archive and recognize all veterans of the Order and Hellenic community through sound communication and publication. The AHEPA Medal for Military Service, acknowledged by the 106th Congress, was first presented to all AHEPA veterans present at the 34th Biennial Congressional Banquet, March 29, 2000. The Supreme Lodge then encouraged its districts and chapters to present this medal to its deserving veterans unable to attend this banquet. It is this committee’s intent to register AHEPA Veterans and have the AHEPA medal presented at appropriate events on the District and Chapter levels.

Becoming a brother!

As part of becoming a new Brother, we offer you a few observations, thoughts and feelings which most members have about their membership in the Order of AHEPA.

The two basic things about our Order are that it is both a Fraternity and an organization which gives living and effective expression to the love its members have for Hellenism and its perpetuation… There is a lot more to be said about AHEPA, but it all starts here.

The truth of the above shows up in many ways. First, AHEPA continues to exist… it endures. It continues to exists since 1922, and it is comprised of many different kinds of men: young, old, poor, middle class, rich, Hellenes all, born in the United States, Canada, Greece and elsewhere, men who rarely miss a meeting and men who have rarely attended a meeting in years because their business hours prevent their attendance, men with less than high school educations and men with PhD’s, athletes, truck drivers, priests, poets, dishwashers, machinists, doctors, engineers, retired, students… you name it, “someone from it belongs in the Order”. Most AHEPANS have belonged in the Order for years… many if not most have belonged for most of their adult life.

What is it that claims such enduring allegiance and involvement on the part of so large and so diverse a group of men? Whatever it is, it must be very strong stuff, and it is: Fraternalism and love for Hellenism is what has attracted us into the Order and keeps us there for a lifetime. We trust and hope that you too will embrace this double-dose of Fraternalism and Hellenism, because it will for sure enrich your life, enrich our lives, and enrich Hellenism.

A second major point is that AHEPA really and truly “grows on you”. It is very important to say this because it is so very basic. The longer you are an AHEPAN, the more it becomes part of your permanent inner world. Why is this? While there are somewhat different answers to the question for different men, there are basic common reasons for all. Here are some of them. After a number of years, men in your Chapter who you barely recognized for the first few years of your membership become Fraternal Brothers. This even applies to Brothers from other Chapters who you see only once in a great while and are not even sure of their names. You are very glad to see them and they you. Further, the many unique ways by which all AHEPANS support and express their Hellenism results in a lifelong cement between them.

The list of AHEPA contributions is a very long list. You should read it in detail, but this is not the place for it. It ranges from profoundly important philanthropic and educational projects in Greece to fundamental support to the institutions of Hellenism and Greek-American religious, educational and social life in the United States and the world. It ranges from crucial geopolitical support for Greece and Cyprus in the United States government to a really outstanding World War II record of one of the highest totals of War Bond sales by a private organization.

It can be viewed in the millions of dollars we award annually in scholarships, aid, assistance and so many other philanthropic endeavors.
There are many examples of how AHEPA has been a very loyal, good and giving citizen. As a result, former United States Presidents Roosevelt, Truman and Ford were dues-paying members of AHEPA, not to mention Vice Presidents Humphrey, Rockefeller, and Agnew. Today as in the past, many United States Congressmen (over 150 of them) are members of AHEPA, as are State Governors.

It is because of the whole of the above that AHEPA becomes imbedded in the hearts of its members and that we can tell you here in one final summary:

**Welcome**

Come as often as you can. Be sure to let AHEPA grow on you by giving it time, staying and participating as often as you can over the coming years and decades. We absolutely guarantee that you too sooner or later in the years to come will find a life-long enduring love for AHEPA and the Fraternalism with your fellow Brothers which will continue to grow ever-deeper and enrich the whole of your life to come.

First and foremost, I would like to thank the members of the ANHC Board, the ASL Executive Board and my Executive Committee for the honor of allowing me to serve this year as Chairman of AHEPA Senior Living. Without your continued support it would be impossible to achieve the lofty objectives set forth for us by those visionaries who came before us to create a company dedicated to providing safe and affordable housing for our senior citizens. As written in Matthew 24:40 - "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me". The dedication, volunteerism and selflessness demonstrated by those brothers and sisters who serve on our housing boards across the country exemplify the meaning of this scripture and for that are deserving of the AHEPA's Family's thanks and gratitude. Secondly, I want to thank our CEO Steve Beck and the entire team at AHEPA Management for their perseverance in working with our boards nationally to provide the best affordable senior housing living conditions in the country. As the 2nd largest developer of HUD 202 housing in the country, our properties are consistently rated among the best places for seniors to live. HUD Secretary Fudge cited this during her historical visit to our Houston property just last year. This is a testament to the individuals who work at AHEPA Senior Living, from the CEO to the Regional Coordinators, to the local property managers and maintenance persons, to our local boards. Lastly, I want to thank Tammy Parsons who has served AHEPA Senior Living and the ANHC Board for many years and is an invaluable resource for the Chairman of the Board.

As Chairman it is my duty to report the state of the company to the board of directors and to the AHEPA Family members each year. Since taking this seat last year in Orlando, it pleases me to report that AHEPA Senior Living has made progress in leaps and bounds overcoming many of the issues which plagued us because of the COVID pandemic. In his report last year, my predecessor and very able chairman, Carl Hollister reported AHEPA Senior Living was teetering on the precipice of bankruptcy. This was due in large part due to the pandemic and its effect on our industry. At last year’s board meeting the Executive Board was charged with working with our CEO Steve Beck to address those issues and work to solve them. One of the main issues dealt with was our Affordable Assisted Living Facilities (AALF’s) and the technical defaults that occurred while our properties were under third-party management. While we spend the better part of 2022 attempting to work out a buy back of the bonds used to finance those facilities it became necessary to go in a different direction once the economy became unstable. Through the capable leadership of our CEO, assisted by our Comptroller Dawn Cole and with the excellent consulting of Pivotal Financial Group, I am happy to report we have been offered a waiver of default on those properties. In addition, through the able oversight of all four of our AALF’s by the as well as Director of Operations Dawn Walker, I am pleased to report 3 of the 4 AALF’s have attained stabilization and in fact all 4 are outperforming our most conservative forecasts. I can personally attest to the hours of work involved at our headquarters in Indianapolis by our CEO Steve Beck and his team to achieve this success.

On the HUD 202 front, significant progress has been made on our funded property in Des Moines, Iowa. The Karthen's, Christy and Jim, are to be commended for heading up the successful bid on that property.
This application and the successful one in South Bend, Indiana, championed by Panos Niarchos are much different than the 202’s of the past. These new projects require outside partners and funding to raise the requisite amount of capital needed to build them. This includes Low-Income Housing Tax Credits (LIHTC). Once again, our able staff at headquarters has done an exceptional job of navigating these new hurdles and as such I am pleased to announce the groundbreaking on August 18 for Des Moines 202.

With regards to the LIHTC funding, this April, Director of Governmental Affairs Andrew Kaffes, coordinated 2 days of meetings on capitol hill and with HUD leaders for CEO Steve Beck and me. The purpose of the meetings was to seek support for pending legislation that will increase the development of affordable housing nationwide. The Affordable Housing Credit Improvement Act of 2019 (S. 1703 and H.R. 3077) seeks to increase housing credit allocation by 50%, phased in over five years. It would also lock in the 4% LIHTC credit rate for financing with housing bonds and tax credits. These changes alone would increase production by an estimated 450,000 homes over the next 10 years. In addition, we met with HUD officials who informed us of a 4-billion-dollar fund being rolled out to benefit properties such as ours by providing funding to become energy efficient. We also asked for and were granted a designated representative in the Washington office to serve as point person on all our future RAD for PRACS. To say the DC visit was successful from a company standpoint would be an understatement. Our meetings yielded several new bipartisan sponsors of the LIHTC legislation as well as developed a better working relationship with the officials in HUD Headquarters. Andrew Kaffes is to be commended for his diligent monitoring of the happenings in our nation’s capital and the impact they have on the senior citizens in our country.

Your Executive Board held several meetings this year, both in person and electronically. During those meetings everyone was engaged and prepared and faced the challenge of overseeing a company as large as ours. One decision which created some controversy was the delay in issuing the grants to our local charitable foundations. The delay was a result of our cash position at headquarters. Both Steve Beck and I agreed on delaying payment of those funds until our cash position was strengthened which took place at the beginning of the 2nd quarter of 2023. The decision was based on several factors, many of which could have pushed ASL over the brink and into insolvency. As I informed many of the board presidents and I will reiterate it now, as chairman my responsibility is to make decisions which will ensure the success of ASL and its mission. I apologize for any inconvenience it caused the local foundations, but in my opinion and Steve’s it was better to suffer the delay than create undue stress on the company.

With regards to the company’s finances, during my first few months as chairman it became known to me, we were being charged $175,000 per year in banking fees by Regions Bank and receiving almost no interest on the millions of dollars we hold in reserve in its bank. Steve and I met with Regions executives in the Birmingham headquarters and were unsatisfied with the results so we began the process of interviewing new banks. After several months I am please to announce we have negotiated a very beneficial arrangement with our new banking partner, whereby we will incur no service fees for banking services and will earn more than 4% on our capital reserves. The savings on fees alone help to fund a large portion of our yearly grants.
Let me once again thank you for the confidence you have bestowed on me by electing me chairman of this wonderful company. I have served AHEPA in many capacities over my career, but I can honestly say the mission AHEPA Senior Living, and all of its employees and board members serve is one of the most rewarding endeavors of my life. I am reminded of that each and every time I visit my local property and see the impact, we have on the residents who call it home. In closing, I would be remiss to personally thank my executive committee; Vice Chairman John Zourzoukis, Secretary John Grossomanides, Treasurer Michael Pihakis and Legal Advisor Christ Coumanis. Their counsel, support and service made it possible to perform my duties much easier. I look forward to seeing you all in Las Vegas as we celebrate year one of AHEPA’s new century!

2023 CONVENTION YEARBOOK REPORT

The AHEPA Educational Foundation (AEF) promotes education and philanthropy through its many scholarships as well as other projects, including the Journey to Greece program. On scholarships, we work within the following three student categories.

1) Undergraduate Studies I – high school seniors and college freshmen
2) Undergraduate Studies II – college sophomores and juniors
3) Graduate Studies – college seniors and graduate students.

Scholarships are available to all students of Hellenic decent, or children of members, in good standing, of the AHEPA family. Preference is shown for students that are currently members of the Sons of Pericles, Maids of Athena, attending the Hellenic College or the Holy Cross Seminary or planning to attend the Journey to Greece program. Our scholarship methodology was changed 6 years ago to introduce higher awards for fewer students, in order to make the scholarship more valuable to the individuals.

This year we had over 293 applicants which AHEPA headquarters carefully documented and entered into our systems. The detailed analysis was presented to the AHEPA Educational Foundation Committee and during a meeting held in June, the Foundation selected the final winners. Awards will be mailed after the Supreme Convention.

Financial need is a significant factor that the AEF takes into consideration. The importance of higher education is well known and if an AHEPA scholarship can facilitate a college degree for a student with financial need, it is definitely a worthy investment in our future. However, there is a real need to balance financial need with academic achievement, it is a delicate balancing act that we undertake.

Financial Status
A complete report is in the audited statements of the AHEPA. These funds are not managed by the foundation, and I thank the Board of Auditors for the tremendous responsibility they oversee. Our current standing, from what we have been advised by our financial statements, is that our funds are currently valued at $3.5 Million. We need this corpus to grow more, and we need all your help to do it!

Journey to Greece
This year the 2023 Journey to Greece program continued to send students to Greece, working towards the achievement of 6 college credits. This is a terrific program and all the students that have attended in the past refer to it as truly a life changing experience. The AEF encourages all the Districts and Chapter Educational Foundations to consider full and partial scholarships for the Journey to Greece program. Thank you for the districts who supported!

Donors
The following is a partial list of the Scholarships funded through the AEF’s benefactors and major donors. We would like to acknowledge their generosity and thank them for supporting our academically deserving youth. The incredible fact is that most of our donors are NOT AHEPAns! This is a tremendous tribute to the respect that Greek-Americans have for AHEPA and its commitment to education. It also presents us all with an outstanding opportunity to recruit additional members and donors. We all need to help make the most of these opportunities when presented to us.

I would like to thank AHEPA headquarters for assisting the foundation throughout the year and helping achieve our goals. I also would like to thank the Board of Directors for their continued support. My committee continues to work hard in trying to extend and push the boundaries of our mission statement. I thank them for all they do, from keeping expenses down to delivering the message, and finally, looking for ways to bring in additional funds so we can continue to help our youth succeed.

2022-2023 Report | Cyprus & Hellenic Affairs Committee
Dr. Zenon Christodoulou, Chairman

To the Delegates/Alternates of the 101st Supreme AHEPA Convention: The AHEPA Cyprus & Hellenic Affairs Committee expresses its profound appreciation to Supreme President Jimmy Kokotas for his exemplary leadership, far-reaching vision and tireless support the past two years along with deep thanks to the Supreme Lodge, Board of Trustees, and Executive Director Basil Mossaidis. I also would like to personally thank the members of the Committee and extend my personal gratitude to our consultant, Brother Andrew Kaffes. Without his guidance, advice and direction, the success of our efforts would have been seriously jeopardized and surely would have limited our ability to promote our many causes to the US Congress, Federal Agencies and European partners. Please find the list below, which summarizes just a small sample of the successes we have achieved this past year.

CONGRESSIONAL OUTREACH
• Fall (September 2022) meetings held with Hellenic Caucus leaders as the 117th Congress was headed toward its conclusion
  o Outgoing Co-chair and co-founder Carolyn Maloney, especially to thank her for passion and unwavering championing of Hellenic issues and the American Hellenic community
  o Congressman John Sarbanes
  o Congressman Frank Pallone
  o Congresswoman Dina Titus
• Hosted "Get to Know Us" dinners with Congressman Chris Pappas, and separately, with Congresswoman Nicole Malliotakis
• Meetings with Hellenic Caucus staff, as appropriate
• Various representation of AHEPA Supreme Lodge and Cyprus/Hellenic Affairs Committee members at community events where members of Congress attend.

CAPITOL HILL DAY
• June 15, 2023
• Successful return after Capitol Hill fully restored to pre-pandemic access.
• Touched approximately 50 congressional offices either through legislative meetings, receptions, or impromptu meet & greets.
• 28 advocates representing nine states
• 3 definite new members to the Hellenic Caucus with asks made of 17 House offices
• Morning "Kick-off" reception featured remarks from: Hellenic Caucus Co-Chairs Bilirakis and Pappas as well as from Representatives Sarbanes, Titus, and Grace Meng
• Pallone and five other U.S. representatives joined us for our group photo on the US Capitol steps
• Reception held held on the occasion of the "Global Chiefs of Mission Conference" featured remarks from U.S. Ambassadors George Tsunis and Julie Fisher as well as Senate Foreign Relations Committee Chair Robert Menendez and Congressman Donald Payne, Jr. 2
• AHEPA Pericles Award presented to U.S. Senator Ben Cardin of Maryland, who is retiring, for his six decades of serving with integrity and for being a champion of human rights.

Congressional Info-Card
• A key educational tool for advocates to help them understand how engaged their members of Congress are on the policy priorities of importance to the AHEPA family.

LEGISLATION/LEGISLATIVE SUPPORT
• Passage of S.Res.675, AHEPA's Centennial Anniversary, in August 2022.
• Support for Hellenic Caucus "Dear Colleague" support letters for FY2023 and FY2024 foreign assistance requests that strengthen US-Greece relations and US engagement in the 3+1 framework
• Support letter to House Rules Committee for three amendments proposed to the FY24 NDAA (this is being deliberated this week)
• When members of Congress, led by House Armed Services Committee Chairman Mike Rodgers, visited Crete and toured NSA Souda Bay as part of codel in February 2023, AHEPA was there to demonstrate support for their visit. Policy Priority Addition
• AHEPA has added exploring how it can work with the U.S. Department of State, U.S. Department of Homeland Security, the Cypriot government, and Congress (if needed) to help Cyprus enter the U.S. Visa Waiver Program.

ORGANIZATIONAL COOPERATION
• In late July 2022, AHEPA joined with Greek American and Cypriot American organizations to visit key congressional offices to oppose the Biden administration's proposed sale of F-16s and F-16 modernization kits to Turkey. STATEMENTS
• AHEPA welcomed congressional opposition to the Biden administration's proposed sale of F-16s and F-16 modernization kits to Turkey.
• AHEPA Cyprus/Hellenic Affairs Chairman Dr. Zenon Christodoulou penned a commentary in opposition to the Biden administration's proposed sale of F-16s and F-16 modernization kits to Turkey.
• AHEPA applauded the Biden administration's decision to lift fully the arms restrictions on Cyprus in September 2022.
• AHEPA congratulated the newly established leadership of the Congressional Caucus on Hellenic Issues formed at the beginning of the 118th Congress.

INTERNATIONAL
• The President’s Policy trip helped celebrate the 100 year anniversary of the Order of AHEPA with our European brothers in Greece and Cyprus, bringing together elected officials from both countries for substantive talks and significant discussions on issues of great importance to all three nations.
• AHEPA Canada leaders met with leaders of Parliament Hill at the Parliament of Canada in March 2023.
• An AHEPA leadership delegation met with Greek, Cypriot and American representatives at the EU and NATO in Brussels, Belgium.

Additional Engagement
Supreme President Kokotas also presented remarks at celebrations of Greek Independence hosted by chapters and dignitaries across the global AHEPA domain. His travels on behalf of our Order came at great personal expense, the greatest of which was time spent away from his wife and young daughter. We are all cognizant of this sacrifice and extend our deep gratitude for his lasting contributions to the future of Hellenism.
Again, thank you for the opportunity to serve the Order of AHEPA. It has been a great honor to work on behalf of this important committee with such find colleagues and brothers.

Respectfully Submitted,
AHEPA Cooley’s Anemia Foundation has worked for over 60 years to try to bring forward a cure for this dreaded ailment, and we are getting close!

During these past 20 years we have provided funding to Children’s Hospitals throughout the United States to help them purchase MRI machines and software which benefit children being treated for Cooley’s. We have provided funding to many researchers in an effort to help them find an effective cure utilizing gene therapy. We have provided funding to produce videos and educational materials in an effort to raise awareness about Cooley’s which has affected our people for thousands of years.

Yes, there has been great progress and the future looks good for a potential cure, however, WE CAN DO MORE. I think back to the days when I was a young boy, not knowing that one day Cooley’s would touch my life such that it has. I remember seeing the cans in all the Greek restaurants and diners no matter where I was raising money one quarter at a time. I remember the blood drives and screenings which were part of every AHEPA Supreme Convention. I remember my friend who so bravely battled Cooley’s without the benefit of today’s advancements and eventually lost his life at such a young age.

WE CAN DO MORE! I am proud of the AHEPA family because we are always at the ready to provide assistance where assistance is needed. Whether it is raising money and supplies for the Greek fires, providing assistance to Greece during its financial crisis or raising money to rebuild a church destroyed at Ground Zero, we stand ready to assist.

Never before have we been so close to attaining a cure and we can be the vehicle to help achieve that cure. Cooley’s is the very first genetic disorder discovered in the 1950’s. Since that time, we have witnessed hundreds of other diseases surpass Cooley’s due to the fact it was not a designer illness and thus did not receive the funding necessary to put it at the forefront. Only through the efforts of organizations such as AHEPA, the Cooley’s Anemia Foundation are were we able to raise money and awareness.

WE need your support.

Fraternally,
AHEPA Veteran’s Committee
2023 Annual Report
Colonel Nicholas P. Vamvakias, USA (Ret) Chairman

I would like to start my report this year by thanking Mr. Rory Puckerin, in addition to consultation from the Executive Director Mr. Basil Mossaidis. We thank everyone at headquarters for their assistance.

The ability to recognize veterans throughout AHEPA has continued to be successful. Word was conveyed to each District via electronic means by AHEPA “E-news” routinely disseminated by the Executive Director, Basil Mossaidis. In the future, more articles in the “AHEPAN” coming in on our Veterans would be of value when space permits. Every means of communication is imperative and was used to capture 100% of our Veterans. The committee and I, continued to keep the Supreme Lodge and the entire AHEPA domain informed of our monthly progress.

Wynn Storton has continued to do the lion’s share of the work in processing the manual entries of PDF document registration forms, tracking checks, and working with our CPA for 100% account accuracy. There were no discrepancies in the process. In the future, the committee recommends using electronic processing for registration and the mention of a “veteran’s liaison” in each District and chapter to assist those with limited access or website unfamiliarity.

It is understandable that the average age of our veterans often precludes electronic means. Hesitation often occurred. Yet each chapter that registered its veterans did a fine job of submitting checks, applications, etc, while preserving member dignity in the process if electronic means felt uncomfortable. Applications were accurate. Wynn Storton is to be commended as he routinely entered dozens of applications into the website manually. Occasional discrepancies were handled in real time by Wynn and he kept the process moving along. Almost 200 medals and registrations were processed in 2022-2023.

I handled additional duties which were required by me since I am centrally located in Washington, DC. Under our committee, I was able to, along with the leaders in AHEPA, be the liaison for all wreath laying events at the Tomb of the Unknown Soldier at Arlington for a number of years. This has brought great credit upon the Veteran’s committee and AHEPA at large. Our Veterans committee, did a superb job in visitations not only as a member of the committee, but with their positions throughout the AHEPA domain.

Above all, this team was effective, had fun, and worked well together to accomplish goals and objectives set out in 2014 and Supreme Lodge guidance. Again, electronic website and e-commerce transition is a new paradigm in the AHEPA domain, but great progress is being made.
Future vision includes expanding outreach for various charities, continued publication and dissemination via electronic means (while still keeping manual pdf applications for the elderly veterans and accepting checks for the near future), and on our virtual wall of honor. The effectiveness of the program rests in the arms of our Chapter President’s. This adds fiber to the fabric and DNA of our chapters by appointing liaisons (mandated by the past four Supreme Presidents) to ensure success at the grass roots level.

Prepared by the Veterans Committee for our 101 Anniversary.

There is a misconception that the AHEPA National Projects Committee either manages projects or assists in financing projects. The Committee does not have the authority and the man power to manage projects and is not authorized to finance any project. All projects must be self-sustaining. Any project requesting financing or a grant must submit their request to the Supreme Lodge and/or Board of Directors. The Committee will assist in any information and help for formulating a request or organization of the project.

The National Projects Committee goal is thru diligent supervision, AHEPA National Projects are able to become successful and fulfill their objectives. The Committee does not initiate nor manage AHEPA National Project but acts as a supervisory committee reporting to the Supreme Lodge, Board of Directors and the AHEPA National Convention. The Committee places its faith that by having the Web Link, more individuals, chapters and Districts will take the advantage of initiating a proposed National Project from their area.

---------------------------------------------------------------------------------------------------------------------

Procedure To submit a proposed project
To submit a proposed project for AHEPA National Project Status the following initial steps need to be taken and please refer to the National Projects link at the AHEPA Web page for further information:

C. National Projects Program Proposal Process & Requirements

1. Process and Requirement:
      (1) Any proposed National Project must first be presented and approved by an AHEPA Chapter endorsed by the Chapter's District Convention and presented to the Standing Committee for evaluation.
      (2) No National Project may be implemented unless it is approved by the Supreme Convention, except when an emergency requires immediate response, as provided in Article 15D of the AHEPA Constitution.
      (3) The National Project Standing Committee cannot approve but only recommend to the AHEPA National Convention a proposed AHEPA National Project.
      (4) The National Project Standing committee shall not oversee nor manage AHEPA National Projects.
   b. Funding.
      (1) Funding of all National Projects shall be the responsibility of the proponents of the project. The Order of AHEPA shall have no financial responsibility for any National Project. Any contract relating to an AHEPA National Project shall clearly state the financial responsibility rests with the contracting entity and not the Order of AHEPA. proposal directly to the Supreme Lodge and Board of Trustees.

WE REMEMBER

The Turkish Invasion of Cyprus July 20, 1974

Almost half a century has passed since the illegal and brutal invasion and continued Turkish occupation of Cyprus

WHERE IS THE JUSTICE FOR CYPRUS?

The Republic of Cyprus, a member of the European Union and staunch ally of the United States, has been illegally occupied since 1974. Turkish troops with American-made arms paid with our taxes, keep 200,000 Greek-Cypriots away from their Ancestral Homes. Turkey should follow the Rule of Law, abide by the countless United Nations resolutions and remove its troops and Illegal settlers from the island.

49 years of occupation and violation of Human Rights.

WE WILL NEVER FORGET

As American Citizens we continue to be outraged and disappointed with the lack of pressure on Turkey, an Unreliable Ally.

Happy 101 Birthday AHEPA
Let us go strong for another 101 years of Defending and Supporting Hellenism
With 16 Chapters throughout central and western Europe and more than 350 active members, District 28 is AHEPA’s newest, and one of the most dynamic Districts worldwide. In 2022-23, all Chapters intensified their activities across the continent in line with our organization’s noble mission of promoting Hellenism, education, philanthropy, civic responsibility, family and individual excellence.

During our last Convention held in the renowned London School of Economics (LSE), delegates unanimously elected the 2023-24 District Lodge as follows:

- **District Governor** Dimosthenis Mammonas (A610 Brussels)
- **District Lieutenant Governor** Georgios Markou (A607 Paris)
- **District Secretary** Ioannis Amoutzas (A615 Westminster)

AHEPA (American Hellenic Educational Progressive Association) is the largest Greek-American association in the world with chapters in the United States, Canada, Greece, Cyprus, and sister chapters in Australia and New Zealand. It was established in 1922 by visionary Greek Americans to protect Hellenes from prejudice originating from the KKK, and in its history, AHEPA joined with the NAACP and B'nai B'rith International to fight discrimination. The mission of the AHEPA Family is to promote the ancient Greek ideals of education, philanthropy, civic responsibility and family and individual excellence through community service and volunteerism.

Brussels A610 Chapter "The European Eagle" remains by far our organization's biggest Chapter in Europe (District 28) with 80 active members. In 2022-23, we continued our intense activities in support of Hellenism and of AHEPA fundamental values in the fields of philanthropy, education, civic responsibility, family and individual excellence. In April 2023, we had the pleasure to welcome in Europe's capital our Supreme President, Brother Jimmy Kokotas, for an official dinner to honor Mrs. Stella Kyriakidou, the Cyprus EU Commissioner. In the context of the same visitation, we organized our supreme leadership's meetings with senior national, EU and NATO dignitaries, including the Greek Ambassador in Belgium, the Greek Permanent Representative in the EU, the Greek deputy Ambassador to NATO and Archbishop of Belgium and Exarch of the Netherlands and Luxembourg, Athenagoras.

Since its founding in 1922 AHEPA membership have served their communities and have worked hard to make the world a better place. Thank you for all your hard work. Wishing you all a wonderful time in beautiful Las Vegas!
Congratulations!

Best Wishes for a Successful Supreme Convention in Las Vegas, NV!

It has been my distinct honor to serve as Capital District 3s Governor over the past year and share in our common mission of defending Hellenism.

Wishing the Order of AHEPA continued success as it carries on the tradition of promoting our Hellenic ideals and begins a second century of service.

I’m deeply honored to be a part of this fraternity.

Respectfully,

Georgio F. Comninos

Georgio F. Comninos, Esq.
TO MY BROTHERS:

Thank you for everything that you have done throughout the years on behalf of the Order of AHEPA, our faith, and Hellenism.

Let us honor our parents, grandparents, and ancestors by keeping the flames of Orthodoxy and Hellenism shining bright for the generations to come.

It has been an honor and a privilege to serve as your Supreme President for the last two years.

To my Supreme Lodge, thank you for your support and for helping me to fulfill the mission of our Order to the best of my ability.

JIMMY KOKOTAS
BEST WISHES FOR A SUCCESSFUL CONVENTION
AS AHEPA ENTERS A SECOND CENTURY OF CONSECUTIVE
SERVICE TO OUR DIASPORA AND PHILHELLENES

Fraternally yours,

LOUIS G. ATSAVES

SUPREME VICE-PRESIDENT
ORDER OF AHEPA

Elected Supreme Lodge Member since 2008.
(Supreme Vice-President/Supreme Counselor/Supreme Governor/Supreme Athletic Director)
Member of the Largest and Most Active Chapter of the 13th District: NorthShore Chapter 94.
Proud AHEPAN since 1987.

As a Fraternal Order that values Brotherhood and Fraternity the Mission of the AHEPA Family is to promote Hellenism, Education, Philanthropy, Civic Responsibility, Family and Individual Excellence.

Hellenism includes our principles that define humanity, freedom, and democracy. Education, the best campaign for our ideals of Hellenism, includes learning through the expansion of our thoughts and minds. Philanthropy, the expansion of Hellenistic ideals for our love of people and allowing them to live their lives to their fullest. Civic Responsibility, as a principle of Hellenism seeks justice and fairness in all walks of life through our elected representative governments and rules of law. Protecting and nurturing Family and Individual Excellence, remains a long-established principle of Hellenism.
